In all zones requiring a front yard setback. No obstruction to view in excess of Thirty (30) inches in height shall be placed on any corner lot within a triangular area formed by the street property lines and a line connecting them at points Thirty (30) feet from the intersection of the property lines.

Owner/Contractor is advised that Cedar City Corporation does not accept any responsibility or liability for adequacy of structural components of buildings, or problems related to soils. The City requires that all buildings, structures and materials should be reviewed by a qualified soils engineer.

I will place curb, gutter, and sidewalk along property frontage before a Final Inspection

I hereby Certify that I have read and examined this application and know the same to be true and correct . All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local laws regulating construction or the performance of construction.
