**ADMINISTRATION AGENDA – MAYOR AND COUNCIL BUSINESS; STAFF**

**COMMENTS:** ■ Mayor – I am looking at May 12<sup>th</sup> and 13<sup>th</sup> for council budget meetings, please check your calendar. Hartley – I am out of town on the 13<sup>th</sup>. Riddle – I have obligations on the 13<sup>th</sup>. Mayor how about the 11<sup>th</sup> before Council and on the 12<sup>th</sup>. Melling – there is a water district meeting at noon that day, but we can move it. Mayor – we will go from 1:00 – 5:00 p.m. on the 11<sup>th</sup>. And 9:00 a.m. to 5:00 p.m. on the 12<sup>th</sup>. We will deliver the budget to you on May 4<sup>th</sup>. ■ Phillips – I would like thank whoever is responsible for the art on Bulldog and Kitty Hawk. We want to thank the artist and acknowledge who they are. Paul – it is a remnant of the roundabout. The idea was to have them around the roundabout to acknowledge agriculture. When we moved away from that, UDOT said the art was in the grant to Federal Highways and they had it built, they had to put it up to be in compliance with the grant. Jonathan – I will find out who the artist is. Phillips – if people look at it, we want them to understand why we have it. Hartley – was the County not going to donate the property for a truck lane? Paul – there is a power post there, the turn lane will go behind that. ■ Phillips – I will be gone the next 2 weeks, April 13<sup>th</sup> and 20<sup>th</sup>. ■ Melling – Hartley and I serve on Water Conservancy District Board, we went on a road trip to Colorado to look at water infrastructure projects, they were larger scale and bigger budget, but it caused me to appreciate the less red tape in Utah than other states. It was boggling to see the efforts they had to go to for a small public good. It was very informative, and we will go into depth at the Coordinating meeting. Hartley – it was a good trip. Melling – they had to do a tunnel 80 feet deep to go under wetland areas and a freeway and railroad track, for a mile. ■ Southwest
