**ADMINISTRATION AGENDA – MAYOR AND COUNCIL BUSINESS; STAFF**

**COMMENTS:** ■Mayor – I would like to propose that we have a review of the Willow Sticks study on July 6<sup>th</sup> at 3:00 p.m. They asked for two hours, it is council night. Pizza could be provided at 5:00 before the 5:30 meeting. It will be a public meeting. Phillips – is the intent that something will come from that to a work meeting? Mayor – the next step is in the budget. They will show where they found it. It is completely different than what we have done in the past. We will then drill test wells, determine the number, they have 9 sites they have identified, we will drill as many as possible. We budgeted \$1 million. Riddle – will the meeting be broadcast or not? Tyler – we can broadcast it, we have that capability. Mayor – I wish the camera showed the screen, to see the results of the gama and other testing, it is fascinating to me. Mayor – we have talked about RFP on WWTP, we will open that July 1<sup>st</sup> – August 15<sup>th</sup> and I would like to form a committee to bring back recommendations on September 7<sup>th</sup>. ■Phillips – I want to remind everyone that the Cedar City Active Transportation Committee is holding a Slow Roll tomorrow, the 3<sup>rd</sup> for the season, one on May 6, the last Thursday in May at Three Peaks, tomorrow will be at the Lake at the Hills. Because of the location and weather, we anticipate families, there will be food vendors, it will be from 6:00 – 8:00 p.m. to get out and have a family activity.
