ADMINISTRATION AGENDA – MAYOR AND COUNCIL BUSINESS; STAFF

COMMENTS: ■Isom – there are cookies available at the Library after this meeting. It is the 150th sketch night and in celebration they would like you to go and get a cookie. Also, attending the General Plan open house, it was very well done, a little underwhelming to see how few were there. I encourage everyone to get involved in that process. ■Phillips – I echo Isom’s remarks, it was very informative, we just need greater participation, I am wondering if we need to have another one. We need input from the community, have questions asked and get the information. Mayor – Leavitt Center postponed the Mayoral debate until that night, there were several things happening. Paul – would you like a general item on the agenda next week to see if we want another open house? Phillips – yes. Also, Active Transportation and Southwest Public Health will have the final slow roll tomorrow night, trail and treat at the Visitors Center, we are encouraging everyone to come. We expect children in costumes, and several companies & businesses will be along the trail with candy. We have been doing these since May to get people out to be active with their family. It is from 5:00 – 7:00 p.m. Also, I was speaking with Tom Jett, he misses everyone and wants to thank the great staff of the City, he hopes to be back next week. Finally, on Center Street by the IG Winery there is a branch hanging on by a thread, we need to get that down. ■Mayor – this weekend is the Heritage and Livestock Festival, make sure if you are trying to get around
