

## **CEDAR CITY MUNICIPAL GOVERNMENT – COVID-19 UPDATE**

**3-17-2020 3:00 PM**

Due to the unprecedented circumstances of Covid-19, Cedar City will implement the following changes to City services per the Governor's recommendation to keep gatherings to under 100 people to allow for social distancing. We would like to remind residents that most City business can be conducted over the phone, on the website or via email. Please try these options before coming to City Hall.

**Please note the following changes and closures:**

### **PUBLIC MEETINGS**

We will still hold Cedar City Council on this Wed, March 18, 2020, at 5:30 PM. We encourage citizens to watch the meeting live on our YouTube channel at

**Currently, the public is welcome to attend public meetings in person.**

### **CEDAR CITY LIBRARY**

Cedar City Library will be closed as of Wednesday, March 18<sup>th</sup>, 2020. At this time, we are unable to waive fines. If you need to return books, please drop them off at our book drop on the North side of the building. We apologize for any inconvenience this causes. You can also renew items by calling us at 435-586-6661 or emailing us at [ereference@cedarcity.org](mailto:ereference@cedarcity.org).

Exercising an abundance of caution and in conformity with the suggestions of government leaders and many in the medical community, the Cedar City Library will experience a temporary closure effective after end of business today. While closed, staff will continue working to make your future library experience more enjoyable. We will be engaged in cleaning, disinfecting, sanitizing, painting, and general building maintenance. Certain enhancements to our catalog and the way material is located will be implemented. Capitalizing on a period of low attendance as well as a time that calls for cautious and prudent behavior ensures that this closure will impact the fewest number of patrons. Please take advantage of our eBook and eAudio resources, databases, and other online resources. We will make daily updates to social media. Thank you for your patronage.

Steve Decker, Library Director.
