The people of Cedar City deserve the opportunity to vote on the recreation center expansion. On November 18, 2020, the Cedar City Council voted 3 to 2 to authorize the borrowing of up to $7 million for the construction of a recreation center attached to the existing aquatic center. While residents voted on the initial aquatic center in 2008, they did not vote on the proposed expansion or its cost. The public still lacks reliable information regarding long-term costs, revenue projections, funding sources including impact fees, whether we can afford this commitment in light of infrastructure needs discussed this year, and the impact on existing private gym owners and their families.

When the city council voted 3-2 to move forward with this recreation center expansion, they relied on a 2017 survey with mixed messages. While some answers to questions showed a desire for certain recreation facilities, another part of the survey showed that fewer than 30% of residents would support gymnasiums for basketball with private funds. Cedar City residents should be allowed to make their voices heard privately and anonymously at the voting booth.

Our city council continues to commit serious public resources without the information needed. As stated in our mayor’s March 2020 newsletter: “the City intends to break ground on the expansion of the recreation center this summer.” The project was slowed due to COVID-19, but in July, the city presented a basic estimate of costs and revenue projections for the center. In that presentation, the expansion’s estimated operation and maintenance budget of $150,852 per year only covers utilities, staff costs, and $12,000 for “Sundry” or in other words, everything else. The presentation lacked substantial revenue projections and failed to mention significant community center costs in budgets of other communities. The people of Cedar City deserve some basic information regarding how these expenses will compare with our center before our representatives commit decades of tax income.

While Cedar City has represented that this bond “will not result in a tax increase,” we still lack answers regarding other fees. Other communities with these kinds of centers such as Washington City, Draper, and West Jordan have impact fees on parks ranging between $3,201 and $4,800 for every new home built. Cedar City’s current fee of $1,038.70 pales in comparison, but under a new study under consideration by the council, Cedar City can raise parks impact fees to $3,392. Cedar City residents deserve to vote on this issue knowing whether we intend to raise the cost of housing on the young families struggling to decide whether they can afford to stay here.

Other than a staff budget presentation and a flawed survey, our city council does not have all of the information needed to continue with this project. With major water supply projects, fire stations, and cemetery renovations on the horizon, we need all of the information before making a 30-year commitment. Cedar City voters deserve the time to research the issues and have a chance to vote on this project.
Argument Prepared by the City:

On November 18, 2020, the City Council passed Resolution No. 20-1118 which authorized Cedar City to incur public debt to finance the cost of constructing a recreation center. On November 19, 2020, a group of citizens opposed to the recreation center filed a referendum application. The public debt will be paid by using Cedar City’s existing revenue sources and will not result in a tax increase. Cedar City will bond at an amount not to exceed 7 million dollars; however, an engineering estimate puts the project cost at 6.2 million. Once bids are received for the project, Cedar City will know an actual cost. Over the 30-year life of the bond Cedar City will pay approximately 8.3 million dollars to pay the debt. Repealing Resolution #20-1118 means Cedar City cannot incur debt as authorized by Resolution #20-1118 to build the Recreation Center.

Prior to 2008, Cedar City began the process of designing and building a new recreational facility for its citizens. A citizen committee was selected to propose a future recreational facility for Cedar City. After some time and research, the committee proposed a multi-purpose recreational facility. The proposal included what is now the Aquatic Center, a multi-purpose recreation center, and a childcare area. When the final costs were produced, the City made the decision to construct the Aquatic Center portion only and postpone construction of the multi-purpose recreation center and child-care area.

For many years Cedar City Corporation has provided low cost recreation opportunities for its citizens. Currently, all indoor recreation (child, youth and adult basketball and volleyball) occur in gyms rented from the Southern Utah Sports Academy and School District. These resources are limited, and the City’s growing population and demand for recreational opportunities have made these gyms insufficient to meet the City’s needs. In 2017, Cedar City updated its Parks, Recreation, and Trails Master Plan. As part of the update, the public was asked, through a survey, what facilities they would likely use if they were more available? In descending frequency, the top answers were: 1) Dock at Lake at the Hills (kayaking, fishing, paddleboat) 2) Gymnasiums for multi-use (basketball, volleyball, fitness classes, dance, events), 3) Mountain biking trails adjacent to the City, and 4) Field house (spectator seating, soccer, football, basketball, conventions, large events, etc.)

As a result of the previous plans to construct the multi-purpose recreation center and the results from the updated Parks, Recreation, and Trails Master Plan, the Cedar City Council is proposing to finish the originally planned multi-purpose recreation center. The recreation center will consist of an indoor walking track, childcare area, and three full size courts that will accommodate basketball, volleyball, pickleball, and other various court related activities. It will also consist of an area dedicated to cardio equipment and weight machines.
Cedar City Estimated Initial Fiscal and Legal Impact Statement

Resolution #20-1118 authorizes Cedar City to incur public debt to build a public Recreation Center. This debt will be paid by using Cedar City’s existing revenue sources and will not result in a tax increase. Cedar City will bond at an amount not to exceed 7 million dollars; however, an engineering estimate puts the project cost at 6.2 million. Over the 30-year life of the bond Cedar City will pay approximately 8.3 million dollars to pay the debt. Repealing Resolution #20-1118 means Cedar City cannot incur debt as authorized by Resolution #20-1118 to build the Recreation Center.

**Section 6.2. Payment of Base Rentals.** The City shall pay Base Rentals exclusively from City Funds. The City shall pay Base Rentals during the Original Term and any Renewal Term in such amounts as shall be sufficient to pay principal and interest, if any, when due on the Series 2021 Bonds. The Base Rentals shall be payable directly to the Authority in annual payments in such amounts as shall equal the principal payments falling due on the Series 2021 Bonds, either by regularly scheduled maturities or by mandatory sinking fund redemption, on the next succeeding principal payment date and interest falling due on the Series 2021 Bonds on the next interest payment date, such that there shall be on deposit with the Authority at least fifteen (15) days prior to each principal payment date on the Series 2021 Bonds an amount sufficient to make such payment. In addition, until the Reserve Fund with respect to the Series 2021 Bonds is at all times fully funded to the Reserve Fund Requirement, the City, shall, in the event it elects to renew this Lease during the following Renewal Term, and as a condition of renewal, pay to the Authority in annual payments Base Rentals during the following Renewal Term, in an amount sufficient to fund or replenish the Reserve Fund to the Reserve Fund Requirement as provided in the Master Resolution. Attached hereto as Exhibit “B” is the Base Rental schedule. Notwithstanding anything contained herein to the contrary, no payment of Base Rentals shall be required to be paid prior to delivery of the Facility to the City for occupancy, provided, however, that as substantial portions of the Facility are available for operation the City shall pay Base Rentals in proportion to the portion available. The amount of the Base Rentals otherwise payable by the City hereunder shall be reduced by an amount equal to (i) earnings on the investment of the Bond Fund, (ii) moneys transferred to the Bond Fund from the Reserve Fund pursuant to the last paragraph of Section 6.7 of the Master Resolution which moneys are applied to pay the principal of the Bonds, and (iii) any moneys paid by the Authority for the purchase of the Bonds and the cancellation thereof or which are otherwise deposited in the Bond Fund, other than moneys paid as Base Rentals or the Purchase Option Price. Base Rentals due at least fifteen (15) days prior to any Bond payment date shall be in consideration for the use of the Facility by the City during the one-year period succeeding each Bond payment date and for the option to purchase the Facility granted herein.

It is understood and agreed by the City that, subject to the terms of this Lease and the Master Resolution, all Base Rentals payable under this Section 6.2 by the City, as well as the Purchase Option Price, if paid with respect to the Facility, are pledged by the Authority for the benefit of the Bondholders. The City assents to such pledge. The Authority hereby directs the City, and the City hereby agrees to pay to the Authority at its principal office, all Base Rentals payable by the City pursuant to this Section 6.2 and, if paid, the Purchase Option Price.

The amount of the Base Rentals and Purchase Option Price otherwise payable shall be reduced as appropriate to reflect any redemption of Series 2021 Bonds and/or the purchase of Bonds and the cancellation thereof in advance of their maturity; provided, however, that adequate provision
shall be made for the payment of any Additional Bonds or Refunding Bonds. If at any time the amounts held by the Authority in the Bond Fund and the Reserve Fund (other than moneys held for the payment of Bonds not deemed Outstanding) shall be sufficient to pay at the times required the principal of and interest and redemption premium, if any, on all of the Bonds (including any Additional Bonds and Refunding Bonds) then Outstanding, the City shall not be obligated to pay any further Base Rentals hereunder.

Section 6.3. Payment of Additional Rentals with Respect to the Facility. In addition to the Base Rental and as part of the total consideration for the use of the Facility and the option to purchase the Facility, and commencing upon delivery of possession of the Facility or any substantial portion thereof, as provided in Section 6.2 of this Lease and continuing throughout the period that the City pays Base Rentals, the City shall pay the following Additional Rentals, exclusively from City Funds, during the Original Term and any Renewal Terms thereof as hereinafter provided:

(a) the annual fee of the Authority for the ordinary services of the Authority rendered and its ordinary expenses incurred under the Master Resolution;

(b) the reasonable fees and charges of the Authority and any paying agent appointed under the Master Resolution with respect to the Bonds for acting as paying agent as provided in the Master Resolution;

(c) the reasonable fees and charges of the Authority for extraordinary services rendered by it and extraordinary expenses incurred by it as Authority under the Master Resolution;

(d) the reasonable out-of-pocket expenses of the Authority not otherwise required to be paid by the City under the terms of this Lease;

(e) the costs of maintenance and repair as required under Section 9.1 of this Lease;

(f) the costs of taxes, governmental charges, utility charges, management and operations of expenses, liens and encumbrances as required under Section 9.3 of this Lease;

(g) the costs of casualty, public liability and property damage and worker's compensation insurance as required under Section 9.4, 9.5 and 9.6 of this Lease;

(h) the amount of any tax or excise on the Base Rentals, Additional Rentals, Purchase Option Price or any other tax, however described, levied, assessed or imposed by the United States Government, the State or any political subdivision or any taxing authority thereof against the Authority; and

(i) an amount equal to any franchise, succession, capital levy or transfer tax or
any income, excess profits or revenue tax, or any other tax, assessment, charge or levy upon
the Base Rentals, Additional Rentals or the Purchase Option Price payable by the City
pursuant to this Lease.

The Additional Rentals specified in subsections (a), (b) and (c) shall be payable to the
Authority and shall be due and payable within ten (10) days after notice in writing from the Authority
to the City stating the amount of Additional Rentals then due and payable and the purpose thereof.
Except as otherwise provided herein or in the Master Resolution, the Additional Rentals specified
in subsections (d), (e), (f), (g), (h) and (i) shall be payable to the Authority or directly to the person
or entity with respect to which such costs were incurred and shall be due and payable at such time
as the Authority or such person or entity shall require.

Section 6.4. Manner of Payment. The Base Rentals, Additional Rentals and, if paid, the
Purchase Option Price, shall be paid exclusively from City Funds and in lawful money of the United
States of America. The obligation of the City to make payment of the Base Rentals and Additional
Rentals required under this Article VI and other sections hereof and to perform and observe the other
covenants and agreements contained herein shall be absolute and unconditional in all events except
as expressly provided hereunder. Notwithstanding any dispute between the City and the Authority,
any Bondholder, any contractor or subcontractor, if any, retained with respect to the construction and
equipping of the Facility, any supplier of labor or materials in connection therewith or any other
person, the City shall pay all payments of Base Rentals and Additional Rentals, from and to the
extent of available City Funds, when due, and shall not withhold any Base Rentals or Additional
Rentals pending final resolution of such dispute, nor shall the City assert any right of set-off or
counterclaim against its obligation to make such payments required hereunder. The obligation of
the City to pay Base Rentals and Additional Rentals during the Original Term and the current
Renewal Term shall be absolute and unconditional in all events, except as expressly provided herein,
and payment of the Base Rentals and Additional Rentals shall not be abated through accident or
unforeseen circumstances.

Section 6.5. Expression of Need for the Facility by the City; Determination of Purchase
Price. The City hereby declares that, as of the date of the execution of this Lease, the City currently
has an essential need for the Facility which is the subject of this Lease to carry out and give effect
to the public purposes of the City. By the execution hereof, the City and the Authority hereby agree
and determine that the Base Rentals and Additional Rentals payable hereunder are reasonable and
that the Purchase Option Price represents, as of the end of the Original Term or any Renewal Term,
a reasonable purchase price of the Facility. In making such determination the City and the Authority
have given consideration to the costs of construction of the Project, the cost of financing the Facility,
the uses and purposes for which the Facility will be employed by the City and the benefit to the
citizens of the City by reason of the City’s use and occupancy of the Facility pursuant to the
provisions of this Lease.

Section 6.6. Nonappropriation. In the event that sufficient City Funds shall not be
budgeted and appropriated by the City prior to the beginning of any Renewal Term for the payment
of the (i) Base Rentals becoming due during such Renewal Term, and (ii) such Additional Rentals becoming due during such Renewal Term which can be determined with reasonable accuracy, then an Event of Nonappropriation shall be deemed to have occurred as of the first day of such Renewal Term and the City shall not be obligated to make payment of the Base Rentals or Additional Rentals provided for herein beyond the last day of the Renewal Term preceding such Event of Nonappropriation. Subject to the provisions of the next succeeding sentence, once the City has elected to continue this Lease for a Renewal Term by budgeting and appropriating sufficient City Funds for the payment of Base Rentals and Additional Rentals hereunder the City shall, as of the first day of such Renewal Term, be obligated to pay such Base Rentals and Additional Rentals during such Renewal Term. If the City fails to pay any Base Rentals or Additional Rentals due under this Lease, or upon an Event of Nonappropriation, the City shall immediately quit and vacate the Facility and its obligation to pay Base Rentals or Additional Rentals hereunder shall terminate. The Authority shall, upon the occurrence of an Event of Nonappropriation, have all rights and remedies to take possession of the Facility as trustee for the benefit of the Bondholders and shall hold in trust for the Bondholders all moneys then on hand and being held in all funds created under the Master Resolution. All property, funds and rights acquired by the Authority by reason of an Event of Nonappropriation as provided herein shall be held by the Authority under the Master Resolution for the benefit of the Bondholders as set forth in said Master Resolution until the principal of, and premium, and interest, if any, on the Bonds are paid in full and any excess shall thereafter be paid to the City.

The parties hereto agree that, upon the occurrence of an Event of Nonappropriation, the City shall immediately quit and vacate the Facility.

**Section 6.7. Application of Base Rentals, Additional Rentals and Purchase Option Price.** All Base Rentals, the Additional Rentals specified in subsections (a), (b), (c) and (d) of Section 6.3 hereof, and if paid by the City, the Purchase Option Price shall be paid to the Authority for application in accordance with the Master Resolution.

**Section 6.8. Request for Appropriation.** To the extent permitted by law, the City covenants and agrees as follows:

(a) During the term of this Lease, the City covenants and agrees (i) to include in its annual tentative budget prepared by the appropriate officials acting on behalf of the City in accordance with applicable law an item for expenditure of an amount necessary (after taking into account any moneys then legally available for such purpose, including but not limited to such revenues and receipts, if any, as may be generated by the City's operation or subleasing of the Facility) to pay the Base Rentals and reasonably estimated Additional Rentals (calculated as provided herein) for the Facility during the next succeeding Renewal Term, and (ii) to take such further action (or cause the same to be taken) as may be necessary or desirable to assure that the final budget submitted to the governing body of the City for its consideration seeks an appropriation of moneys sufficient to pay such Base Rentals and Additional Rentals for each such Renewal Term, including all such actions for such purpose as may be required under the Uniform Fiscal Procedures
Act, Title 17, Chapter 36, Utah Code Annotated 1953, as amended (the “Uniform Fiscal Procedures Act”). The first such inclusion in the City’s annual tentative budget shall be made under applicable law in the calendar year prior to the calendar year commencing January 1, 2021, so that the Base Rentals payable during such Renewal Term and the reasonably estimated Additional Rentals payable during such Renewal Term will have been appropriated for such purpose, and subsequent inclusions in each respective tentative budget for appropriations by the City shall be made in each fiscal year thereafter so that the Base Rentals to be paid during the succeeding Renewal Term and Additional Rentals payable during such Renewal Term will be available for such purposes as long as the governing body of the City determines to approve such amount in the final budget as adopted.

(b) To effect the covenants set forth in (a) above, the City hereby directs its “budget officer” (as such term is defined in the Uniform Fiscal Procedures Act, or any other officer at the time charged with the responsibility of formulating budget proposals) to include in the tentative budget prepared annually by such budget officer or other officer and submitted to the governing body of the City, in any year in which this Lease is in effect, items for all payments required for the ensuing Renewal Term under this Lease. It is hereby expressed as the intention of the City that the decision to renew or not to renew the term of this Lease is to be made solely by the governing body of the City at the time it considers for adoption the final budget for each of its fiscal years and corresponding Renewal Terms hereunder, and not by any official of the City, acting in his or her individual capacity as such. In this connection, the City hereby covenants and agrees that such budget officer or other officer shall not amend, modify or otherwise change the appropriations made in any finally adopted budget for the payment of any Base Rentals or Additional Rentals without the express prior approval of the governing body of the City.

ARTICLE VII

COMPLETION OF THE PROJECT AND ISSUANCE OF SERIES 2021 BONDS

Section 7.1. Agreement to Complete Project. The City and the Authority agree that the Authority shall cause the Project to be constructed as herein provided, all of which construction shall be made in accordance with the plans for the Project as approved by the City and the Authority. The Authority hereby agrees that in order to effectuate the purposes of this Lease, it will make, execute, acknowledge and transmit any contracts, orders, receipts, writings and instructions with any other persons, firms or corporations and in general do all things which may be requisite or proper, all for the construction of the Project.

The Authority agrees to acquire the Project through the application of moneys to be disbursed from the Escrow Account (as defined in the Master Resolution) by the Authority upon the authorization of the Authority Representative in accordance with the Master Resolution.

The Authority agrees to cause the construction of the Project to be completed with all reasonable dispatch, and to use its best efforts to cause the same to be completed by October 1, 2022,
or as soon thereafter as may be practicable, subject only to delays caused by Force majeure excepted; but if for any reason the Project is not completed by said date, there shall be no resulting liability on the part of the Authority or Event of Default hereunder.

Section 7.2. Agreement to Issue the Series 2021 Bonds; Application of Bond Proceeds. In order to provide funds to finance the Project (as described herein), the Authority, concurrently with the execution of this Lease, will issue, sell and deliver to the CIB the Series 2021 Bonds and the Authority will deposit the proceeds thereof in the Escrow Account as provided in the Master Resolution. Moneys shall be disbursed from the Escrow Account in accordance with the terms of the Escrow Agreement.

Section 7.3. Establishment of Completion Date; Disbursement of Balance of Escrow Account. In the event improvements are constructed with bond proceeds, the Completion Date shall be evidenced by a certificate signed by the Authority Representative and the City Representative stating that, except for amounts retained by the Authority at the direction of the Authority for any Costs of Construction, if applicable, not then due and payable, (i) the construction of the Project has been completed in accordance with the plans and specifications and all labor, services, materials and supplies used in such acquisition and, if applicable, construction have been paid for, (ii) all other facilities necessary in connection with the Project have been constructed, acquired and installed to their satisfaction, (iii) the Project is suitable and sufficient for its intended purposes, and (iv) all costs and expenses incurred in the construction of the Project have been paid. Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights of the City for subsequently discovered defects as to the workmanship, operability or suitability of equipment or the like.

Upon completion of the Project, any unexpended balance from proceeds of the Series 2021 Bonds remaining in the Escrow Account shall be deposited in the Bond Fund and used to redeem the Series 2021 Bonds pursuant to Section 4.1(a) of the Master Resolution. Following the transfer of unexpended funds from the Escrow Account, the Escrow Account will be closed.

Section 7.4. Investment of Bond Fund and Reserve Fund Moneys. Any moneys held as part of the Bond Fund and Reserve Fund or any other fund created in connection with the issuance of the Bonds shall be invested and reinvested by the Authority in Permitted Investments (as defined in the Master Resolution) and consistent with Section 51-7-11, Utah Code Annotated 1953, as amended.

All such investments shall at all times be a part of the funds from where the moneys used to acquire such investments shall have come, and all income profits on such investments shall be credited to and losses thereof shall be credited against such funds except as expressly provided to the contrary in this Lease. Any investment shall be held by or under the control of the Authority.

The Authority shall sell and reduce the cash in a sufficient amount of such investments whenever the cash balance in the Bond Fund is insufficient to pay the principal of and premium, if
any, and interest on the Bonds when due. The Authority and the City jointly and severally covenant and certify to each other and to and for the benefit of the Bondholders that no use will be made of the proceeds from the issue and sale of the Bonds nor will use be made of moneys in the Bond Fund or any other fund which, if such use had been reasonably expected on the date of issuance of the Bonds, would have caused the Bonds to be classified as arbitrage bonds within the meaning of Section 148 of the Code, and any regulations promulgated thereunder. Pursuant to such covenant, the Authority and the City obligate themselves to comply throughout the term of the Bonds with the requirements of Section 148 of the Code and any regulations promulgated thereunder.

ARTICLE VIII

TITLE TO THE FACILITY; CONVEYANCE TO THE CITY; SECURITY INTEREST

Section 8.1. Title to the Facility. Title to the Facility and any and all additions, repairs, replacements or modifications thereto, shall be held in the name of the Authority, subject to Permitted Encumbrances, at all times until conveyed to the City as provided in Section 12.1. The City shall not have any right, title or interest in the Facility or any additions, repairs, replacements, modifications or fixtures thereto except as expressly set forth herein.

Section 8.2. Security Interest. To secure the payment of all of the obligations of the Authority under the Master Resolution, the Authority shall grant to the Bondholders a security interest in the Facility, the Base Rentals and Additional Rentals received by the Authority under this Lease, and all other rights to receive payments. Upon execution of this Lease, the City and the Authority agree that the Authority shall execute the Security Documents and the Master Resolution. The Master Resolution creates a valid and binding pledge and assignment of and security interest in all of the personal property pledged as part of the Facility, in favor of the Bondholder as security for payment of the Bonds, enforceable by the Bondholder in accordance with the terms thereof. Under the laws of the State, such pledge and assignment and security interest is automatically perfected by Section 11-14-28, Utah Code Annotated 1953, as amended, and is and shall be prior to any judicial lien hereafter imposed on the personal property pledged as part of the Facility to enforce a judgment against the Authority on a simple contract.

ARTICLE IX

MAINTENANCE; TAXES; INSURANCE; AND OTHER CHARGES

Section 9.1. Maintenance of the Facility by the City. The City shall, at its own expense, from available City Funds, operate, manage, keep and maintain the Facility in good working order, condition and repair, including replacements of a capital nature when necessary, and including periodic painting as reasonably determined by the Authority and in accordance with all operating and maintenance manuals and all applicable laws, rules, ordinances, orders and regulations as shall be in effect from time to time of (1) any federal, state, county, municipal, or other governmental or
quasi-governmental agencies and bodies having or claiming jurisdiction thereof and all their respective departments, bureaus, and officials; (2) the insurance underwriting board or insurance inspection bureau having or claiming jurisdiction thereof; and (3) all insurance companies insuring all or any part of the Facility. The foregoing shall not be construed to prohibit the City from challenging the validity or applicability of such laws, rules, ordinances, orders and regulations and to defer compliance until the challenge has been completed.

Without limiting the generality of the foregoing, the City shall, at the City’s sole cost and expense, as if the City were the absolute owner thereof, from available City Funds, assume all responsibility for the Facility (including all surfaces of the buildings and entrances thereto, foundations, ceilings, roof, all glass and show window moldings and all partitions, doors, fixtures, equipment, and appurtenances thereto, including lighting and plumbing systems and fixtures, sewage facilities, electric motors and heating, ventilating and air-conditioning systems, and all landscaping, parking lots, driveways, fences and signs located on the Facility Site and all sidewalks and parkways located adjacent to the Facility Site) and pay all costs of any kind (including operating costs and costs of repair, whether of a capital nature or otherwise) associated therewith.

Section 9.2. Modification of the Facility. The City shall have the privilege of remodeling the Facility or making substitutions, additions, modifications and improvements thereto, at its own cost and expense, and the same shall be subject to this Lease, the Master Resolution and the Security Documents, and shall also be included under the terms hereof and thereof; provided, however, that such remodeling, substitutions, additions, modifications and improvements shall not in any way damage the Facility or cause it to be used for purposes other than those authorized under the provisions of this Lease, and the Constitution and laws of the State; and provided, however, that the Facility, as remodeled, improved or altered upon completion of such remodeling, substitutions, additions, modifications and improvements made pursuant to this Article IX shall be of a fair rental value not less than the fair rental value of the Facility immediately prior to the remodeling or the making of substitutions, additions, modifications and improvements. The City shall not permit any mechanic’s or other lien to be established or remain against the Facility for labor or materials furnished in connection with any remodeling, substitutions, additions, modifications, improvements, repairs, renewals or replacements so made by the City; provided, however, that if the City shall first notify the Authority of the intention of the City so to do, the City may in good faith contest any mechanic’s or other lien filed or established against the Facility, and in such event may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom unless the Authority shall notify the City that, in the opinion of Independent Counsel, by nonpayment of any such items the security afforded pursuant to the terms hereof and pursuant to the Master Resolution and the Security Documents will be materially endangered or the Facility or any part thereof will be subject to loss or forfeiture, in which event the City shall promptly pay and cause to be satisfied and discharged all such unpaid items. The Authority will cooperate fully with the City in any such contest, upon the request and at the expense of the City. Any property for which a substitution or replacement is made pursuant to this Section 9.2 may be disposed of by the City in any manner and in the sole discretion of the City.
Section 9.3. Taxes, Other Governmental Charges and Utility Charges. In the event that
the Facility or any portion thereof shall, for any reason, be deemed subject to taxation, assessments
or charges lawfully made by any governmental body which may be secured by a lien against the
Facility, an Additional Rental, from and to the extent of City Funds, shall be paid by the City equal
to the amount of all such taxes, assessments and governmental charges then due. With respect to
special assessments or other governmental charges which may be lawfully paid in installments over
a period of years, the City shall be obligated to provide for Additional Rentals only for such
installments as are required to be paid during that period that the City is obligated to pay Base
Rentals. The City shall not allow any liens for taxes, assessments or governmental charges to exist
(including, without limitation, any taxes levied which, if not paid, will become a charge on the
rentals and receipts prior to or on a parity with the charge thereon and the pledge and assignment
thereof to be created and made in the Master Resolution), or any interest therein (including the
interest of the Authority) or the rentals and revenues derived therefrom or hereunder. The City shall
also pay as Additional Rentals, from and to the extent of available City Funds, as the same
respectively become due, all gas, water, steam, electricity, heat, power, telephone, utility and other
charges incurred in the operation, maintenance, use, occupancy and upkeep of the Facility.

As long as the City is in possession of the Facility and except as otherwise provided herein,
it shall keep it free and clear of all liens, charges and encumbrances (except Permitted Encumbrances
and any encumbrances arising through the Authority) and shall have the responsibility for all
management, operations, maintenance and repair of the Facility. The City in its discretion may
discharge such responsibility by: (1) using its own employees; or (2) contracting for services; or (3)
subleasing portions of the Facility, subject to the provisions hereof and of the Master Resolution;
or (4) any combination of such methods. No such contract shall place a greater burden on the Authority
thereunder, nor violate or in any way impair the Authority’s obligations under the Master Resolution
or any other instrument, if any, securing any debt or borrowings by the Authority, all or substantially
all the proceeds of which are to be used to finance the Facility. The Authority does not agree to
provide anything more than the Facility as herein defined. The Authority does not agree to provide
anything more than the Facility as herein defined, and shall have no obligation to incur any expense
of any kind or character in connection with the management, operation, or maintenance of the
Facility during the Lease Term.

The City may, at the expense and in the name of the City, in good faith contest any such
taxes, assessments, utility and other charges and, in the event of any such contest, may permit the
taxes, assessments or other charges so contested to remain unpaid during the period of such contest
and any appeal therefrom provided the City shall first deposit with the Authority, or in court, a bond
or other security satisfactory to Authority pursuant to Section 1.18 of the Deed of Trust, Assignment
of Rents and Security Agreement delivered by the Authority unless the Authority shall notify the
City that, in the opinion of Independent Counsel, by nonpayment of any such items the security
afforded pursuant to the terms hereof and pursuant to the Master Resolution and the Security
Documents will be materially endangered or the Facility or any portion thereof will be subject to loss
or forfeiture, in which event such taxes, assessments or charges shall be paid forthwith. In the event
that the City shall fail to pay any of the foregoing items required by this Section 9.3 to be paid by the
City, the Authority may (but shall be under no obligation to) pay the same, which amounts, together with interest thereon at a rate per annum equal to eighteen (18%) percent as of the date of payment, the City agrees to pay, from and to the extent of available City Funds.

Section 9.4. Provisions Respecting Insurance. The City agrees to insure or cause to be insured the Facility against loss or damage of the kinds usually insured against by public bodies similarly situated, including, without limitation, policies of casualty and property damage insurance, by means of policies issued by reputable insurance companies duly qualified to do such business in the State with a uniform standard coverage endorsement limited only as may be provided in the standard form of extended coverage endorsement at that time in use in the State, in amounts that are not less than full insurable value of the Facility. The term “full insurable value” as used herein shall mean the actual replacement value, or at the option of the City any lesser amount which is equal to or greater than the amount of all of the Bonds then Outstanding. Alternatively, the City may insure or cause to be insured under a blanket insurance policy or policies or under self-insurance which cover not only the Facility but other properties in the amounts required by the previous sentence. If a program of self-insurance is used, (i) such program must provide for disbursements therefrom without the approval of the governing body of the City and (ii) such program shall be reviewed at least annually by an actuarial consultant, to insure that the reserves established are sufficient for the risks intended to be covered by such program. If self-insurance is not utilized, the policies may have a deductible clause in an amount not to exceed $100,000.

Any insurance policy issued pursuant to the preceding paragraph of this Section 9.4 shall be so written or endorsed as to make losses, if any, payable to the Authority under the Master Resolution. The Net Proceeds of the insurance required in this Section 9.4 shall be applied as provided in Section 10.2 or, at the option of the City, Section 10.3 of this Lease. The City may settle, adjust or compromise any claims for loss, damage or destruction under any policy or policies of insurance only with written approval of the Authority. Each insurance policy provided for in Section 9.4 of this Lease shall contain a provision to the effect that the insurance company shall not cancel the policy or modify it materially and adversely to the interest of the City or the Authority without first giving written notice thereof to the City, the Authority and the CIB at least ten (10) days in advance of such cancellation or modification. Copies of all insurance policies issued pursuant to Section 9.4 or Section 9.5 of this Lease, or certificates evidencing such policies, shall be deposited with the Authority.

Section 9.5. Public Liability Insurance. The City agrees to carry or cause to be carried public liability insurance with one or more reputable insurance companies in minimum amounts of $500,000 for the death of or personal injury to one person and $1,000,000 for personal injury or death for each occurrence and $300,000 for property damage for any occurrence. The Authority shall be made additional insured under such policies. The insurance required by this Section 9.5 may be by blanket insurance policy or policies or self-insurance meeting the requirements of Section 9.4 hereof. If self-insurance is not utilized, the policies may have a deductible clause in such amount as shall be approved by the Authority.
Section 9.6. **Worker's Compensation Coverage.** At all times from the date hereof until the end of the Lease Term, the City shall maintain, or cause to be maintained, worker's compensation coverage with respect to officers, agents and employees of the City working in, on or about the Facility, including coverage for occupational diseases.

Section 9.7. **Advances.** In the event that the City shall fail to maintain the full insurance coverage required by this Lease or shall fail to keep the Facility in good repair and operating condition, the Authority may (but shall be under no obligation to) take out the required policies of insurance and pay the premium on the same or may make such repairs or replacements as are necessary and provide for payment thereof; which amounts, together with interest thereon at a rate of 18% per annum, the City agrees to pay, from and to the extent of available City Funds.

Section 9.8. **Failure to Provide Insurance.** In the event the Authority pays for any insurance policies required by this Article, the City will promptly pay directly to the Authority all premiums for said insurance, and until payment is made by the City therefor, the amount of all such premiums which have been paid by the Authority shall bear interest at the per annum rate of 18%. The City shall, upon the Authority’s reasonable request, deposit with the Authority in monthly installments an amount equal to one-twelfth of the estimated aggregate annual insurance premiums on all policies of insurance required by this Article. The City further agrees, upon the Authority’s request, to cause all bills, statements or other documents relating to the foregoing insurance premiums to be sent or mailed directly to the Authority. If at any time and for any reason the funds deposited with the Authority are or will be insufficient to pay such amounts as may then or subsequently be due, the Authority shall notify the City and the City shall immediately deposit an amount equal to such deficiency with the Authority.

Section 9.9. **Evidence and Notice Regarding Insurance.** Evidence of the insurance required by Sections 9.4 and 9.5 hereof shall be provided by the City to the Authority annually on or before the anniversary date of issuance of the Bonds. Policies providing said insurance shall require that notice of cancellation of any said insurance must be furnished to the Authority and the CIB by the insurance carrier thirty (30) days in advance of cancellation.

**ARTICLE IX**

**DAMAGE, DESTRUCTION AND CONDEMNATION; USE OF NET PROCEEDS**

Section 10.1. **Damage, Destruction and Condemnation.** If, prior to the termination of the Lease Term and the payment in full of the Bonds (or the making of provisions for the payment thereof in accordance with the Master Resolution) (i) the Facility or any material portion thereof shall be destroyed (in whole or in part), or damaged by fire or other casualty; or (ii) title to, or the temporary or permanent use of the Facility or any material portion thereof or the estate of the City or the Authority in the Facility or any material portion thereof shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting
under governmental authority; or (iii) a material defect in construction of the Facility shall become apparent; or (iv) title to or the use of all or any material portion of the Facility shall be lost by reason of a defect in title thereto, the City shall be obligated, subject to the provisions of Section 10.3 of this Lease, to continue to pay the amounts specified in Sections 10.2, 6.2 and 6.3 of this Lease regardless of whether the Facility shall have been accepted.

Section 10.2. Obligation of the City to Repair and Replace the Facility. Subject to the provisions of Section 10.3 of this Lease, the City shall cause the Net Proceeds of any insurance policies, performance bonds or condemnation awards with respect to the Facility to be deposited into a separate trust fund with the Authority. All Net Proceeds so deposited shall be applied to the prompt repair, restoration, modification or improvement of the Facility by the City upon receipt of a requisition acceptable to the Authority signed by the City Representative, stating with respect to each payment to be made: (i) the requisition number; (ii) the name and address of the person, firm or corporation to whom payment is due; (iii) the amount to be paid; (iv) that each obligation mentioned therein has been properly incurred, is a proper charge against the separate trust fund, and has not been the basis of any previous withdrawal and specifying in reasonable detail the nature of the obligation, accompanied by a bill or a statement of account for such obligation; and (v) such other documents and information as the Authority requires. The balance of any such Net Proceeds remaining after such repair, restoration, modification or improvement has been completed shall be transferred to the Bond Fund to be applied to the payment of the principal or, premium, if any, and interest, if any, on the Bonds, or if said Bonds shall have been fully paid (or provision for payment thereof has been made in accordance with the provisions of the Master Resolution), any balance remaining in such separate trust fund shall be paid to the City. If the Net Proceeds shall be insufficient to pay in full the cost of any repair, restoration, modification or improvement or to redeem all Outstanding Bonds, the City shall, from and to the extent of available City Funds, complete the work and pay any cost in excess of the amount of the Net Proceeds. The City agrees that, if by reason of any such insufficiency of the Net Proceeds, the City shall make any payments pursuant to the provisions of this Section 10.2, the City shall not be entitled to any reimbursement therefor from the Authority or the Bondholders nor shall the City be entitled to any diminution of the Base Rentals and Additional Rentals payable under Sections 6.2 and 6.3 of this Lease. The City further agrees that any repair, restoration, modification or improvement paid for in whole or in part out of such Net Proceeds shall be subject to the security afforded by the Master Resolution, this Lease and the Security Documents, and shall be included under the terms hereof.

Section 10.3. Discharge of the Obligation of the City to Repair and Replace the Facility. In the event that the Net Proceeds of any insurance policy, performance bond or condemnation award made available by reason of an occurrence described in Section 10.1 of this Lease shall be insufficient to pay in full the cost of any repair, restoration, or modification of the Facility required under Section 10.2 of this Lease, then the obligation to repair and replace the Facility under Section 10.2 of this Lease may, at the option of the City, be discharged by depositing the Net Proceeds of the insurance policies, performance bonds or condemnation awards made available by reason of such occurrence into the Bond Fund. Upon the deposit of such Net Proceeds in the Bond Fund, the City shall have no further obligation for the payment of Base Rentals and Additional Rentals hereunder,
and possession of the Facility as well as all rights created pursuant to this Lease and interest of the City and the Authority therein and in any funds or accounts created under the Master Resolution (except for moneys held for the payment of Bonds not then deemed Outstanding), shall be surrendered to the Bondholder. Thereafter, the Facility may be liquidated pursuant to the provisions of the Master Resolution and Security Documents and the proceeds of such liquidation and the Net Proceeds of any insurance policy, performance bond or condemnation award so deposited in the Bond Fund, as well as all other moneys on deposit in any fund created under the Master Resolution (except moneys held for the payment of Bonds not then deemed Outstanding), shall be applied to the redemption of the Bonds on the next succeeding redemption date. Such redemption of the Bonds shall be made upon full or partial payment of the principal amount of the Bonds then Outstanding and accrued interest thereon, if any, all in accordance with the Master Resolution. In the event that available moneys shall be insufficient to redeem said Bonds by payment of an amount equal to the Outstanding principal amount thereof and accrued interest, if any, to the redemption date, no further claim for payment may be had by the Bondholders against the Authority or the City, as provided in the Master Resolution.

Section 10.4. Cooperation of the Authority. The Authority shall cooperate fully with the City at the expense of the City in filing any proof of loss with respect to any insurance policy or performance bond covering the events described in Section 10.1 of this Lease and in the prosecution or defense of any prospective or pending condemnation proceeding with respect to the Facility or any portion thereof or any property of the City in connection with which the Facility is used and will, to the extent it may lawfully do so, and shall permit the City to litigate in any proceeding resulting therefrom in the name and on behalf of the Authority. In no event will the Authority voluntarily settle, or consent to the settlement of, any proceeding arising out of any insurance claim or any prospective or pending condemnation proceeding or any part thereof without the written consent of the City Representative.

Section 10.5. Condemnation of Property Owned by the City. The City shall be entitled to the Net Proceeds of any condemnation award or portion thereof made for destruction of, damage to or taking of its property not included in the Facility.

ARTICLE XI

DISCLAIMER OF WARRANTIES; COMPLIANCE WITH LAWS AND RULES; OTHER COVENANTS

Section 11.1. Disclaimer or Warranties. THE AUTHORITY MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR FITNESS FOR USE OF THE FACILITY OR ANY OF THE EQUIPMENT OR FIXTURES THEREIN OR ANY OTHER REPRESENTATION OR WARRANTY. In no event shall the Authority be liable for any incidental, indirect, special or consequential damage in connection with or arising out of this Lease or the existence, furnishing, functioning or the use by the City of any
item, product or service provided for herein.

Section 11.2. Further Assurances and Corrective Instruments. The City and the Authority agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Facility hereby leased or intended so to be or for carrying out the intention hereof.

Section 11.3. City and Authority Representatives. Whenever under the provisions hereof the approval of the City or the Authority is required, or the City or the Authority is required to take some action at the request of the other, such approval or such request shall be given for the City by the City Representative and for the Authority by the Authority Representative, and any party hereto and the Authority shall be authorized to act on any such approval or request.

Section 11.4. Requirements of Law. During the Lease Term, the City and the Authority shall observe and comply promptly with all current and future laws, ordinances, orders, rules and regulations as the same become effective, of the federal, state, city and county governments and of all courts or other governmental authorities having jurisdiction over the Facility or any portion thereof and of all their respective departments, bureaus and officials, and of the insurance regulatory agencies having jurisdiction over the Facility, or any portion thereof, or any other body exercising similar functions, and of all insurance companies writing policies covering the Facility or any portion thereof, whether the same are in force at the commencement of the Lease Term or may in the future be passed, enacted or directed.

Section 11.5. Inspection of the Facility. The City and the Authority agree that the Bondholders or their duly authorized agents shall have the right at all reasonable times to enter upon the Facility and to examine and inspect the Facility. The Authority and its duly authorized agents shall also be permitted, at all reasonable times, to examine the books, records, reports and other papers of the City and the Authority with respect to the Facility.

Section 11.6. Granting of Easements. As long as no Event of Nonappropriation or an Event of Default with respect to the Facility shall have happened and be continuing, the City may at any time or times grant easements, licenses, rights of way (including the dedication of public highways) and other rights or privileges in the nature of easements with respect to any property or rights included in this Lease and the Master Resolution, free from the security interest afforded by or under this Lease, the Master Resolution and the Security Documents or the City may release existing easements, license, rights of way and other rights and privileges with or without consideration, and the Authority agrees that it shall execute and deliver any instrument necessary or appropriate to confirm and grant or release any such easement, license, right of way or other grant or privilege upon receipt of: (i) a copy of the instrument of grant or release; (ii) a written application signed by the City Representative requesting such instrument and stating that such grant or release will not impair the effective use or interfere with the operation of the Facility or any material portion thereof; and (iii) an opinion of Independent Counsel that such grant or release will not materially
Section 11.7. Refunding Bonds. Refunding Bonds may be issued by the Authority in accordance with the provisions of this Section 11.7 and Section 3.9 of the Master Resolution. Prior to, or concurrently with, the issuance of and delivery of Refunding Bonds, the Authority shall pay, or make provision for the payment of, all Bonds then Outstanding (other than such Refunding Bonds) as set forth in Article IX of the Master Resolution.

Section 11.8. Issuance of Additional Bonds. Additional Bonds may be issued by the Authority in accordance with the provisions of Section 3.10 of the Master Resolution and with a corresponding effect on the Base Rentals and Additional Rentals due hereunder.

ARTICLE XII

CONVEYANCE OF THE FACILITY

Section 12.1. Conveyance of the Facility. The Authority's right and interest in and to the Facility shall be transferred, conveyed and assigned by the Authority to the City:

(a) Upon payment by the City of the then applicable Purchase Option Price and upon giving not less than thirty (30) days prior written notice to the Authority; or

(b) Upon payment by the City of all Base Rentals and Additional Rentals required to be paid under this Lease during the Original Term and each of the Renewal Terms; or

(c) Upon the discharge of the lien of the Master Resolution under Article IX thereof.

The Authority agrees to execute such documents and instruments as shall be necessary to effect a release of the security interest granted by said Master Resolution or the Security Documents upon the payment in full of the Bonds.

Section 12.2. Conveyance on Purchase of Facility. At the closing of any purchase of the Facility pursuant to the option to purchase granted in this Lease, the Authority shall, upon receipt of the Purchase Option Price, or upon the payment by the City of all Base Rentals and Additional Rentals required, or upon discharge of the lien of the Master Resolution as the case may be, deliver to the City the following:

(a) If necessary, a release by the Authority of the lien under the Master Resolution and Security Documents, together with any other instrument necessary or appropriate to release any security interest granted by this Lease with respect to such Facility, the Master Resolution and Security Documents.
(b) All necessary documents conveying to the City good and marketable title to the Facility as it then exists subject to the following: (i) those liens and encumbrances created by the City or to the creation or suffering of which the City consented; (ii) those liens and encumbrances resulting from the failure of the City to perform or observe any of the agreements on its part contained in this Lease; and (iii) Permitted Encumbrances, other than the Master Resolution, this Lease, the Security Documents and any financing statements filed by the Authority pursuant to this Lease with respect to the Facility or the Master Resolution.

Section 12.3. Relative Position of Option and Master Resolution. The purchase option granted to the City in this Article XII with respect to the Facility shall be and remain prior and superior to the Master Resolution and the Security Documents and may be exercised whether or not an Event of Nonappropriation or an Event of Default shall have occurred and be continuing hereunder or under the Master Resolution and the Security Documents; provided, however, that such option must be exercised before the later of (i) ninety (90) days after notification in writing by the Authority to the City of the occurrence of an Event of Default under the Master Resolution, the Lease or the Security Documents or (ii) the ultimate disposition of the Facility upon exercise of any available foreclosure remedy, and further provided that, as a condition of the exercise of such option, the City must pay, in addition to the Purchase Option Price, any interest payment deficiencies accruing from the date of the Event of Default or Event of Nonappropriation.

ARTICLE XIII

ASSIGNMENT, SUBLEASING, INDEMNIFICATION
AND SELLING

Section 13.1. The Authority to Grant Security Interest to Bondholder. The parties hereto agree that pursuant to the Master Resolution and the Security Documents, the Authority shall and does hereby pledge and assign to the Bondholders all of the Authority’s right, title and interest in this Lease, except the Authority’s rights to compensation from the City for expenses of the Authority under Section 6.3(d) of this Lease, the Authority’s rights to indemnification from the City under Section 13.3 of this Lease and the obligation of the City to pay any attorneys’ fees and expenses incurred by the Authority under Section 14.5 of this Lease.

Section 13.2. Assignment and Subleasing by the City. This Lease may not be assigned by the City for any reason. The City may, with the written consent of the Authority, enter into a sublease of all or portions of the Facility without the necessity of obtaining the consent of any Bondholder; subject, however, to each of the following conditions:

(a) the Facility may only be subleased or assigned to a municipality, county, district, nonprofit corporation, if those nonprofit corporations were formerly public bodies, or an agency or department of the State;

(b) this Lease and the obligations of the City to make payment of Base Rentals
and Additional Rentals hereunder shall at all times during the Lease Term remain obligations of the City notwithstanding any sublease;

(c) the City shall, prior to the execution of a sublease, furnish or cause to be furnished to the Authority a true and complete copy of each sublease;

(d) no sublease shall cause the Facility, in whole or in part, to be used for a purpose other than a governmental or proprietary public function authorized under the provisions of the Constitution and laws of the State; and

(e) any such sublease shall be expressly subordinate to the rights of the Authority and the Bondholders under the Master Resolution, this Lease and the Security Documents.

After an Event of Nonappropriation or an Event of Default and the foreclosure of the security afforded under the Lease, the Master Resolution or the Security Documents, the Authority may collect the amount of the Base Rentals and Additional Rentals allocable to any sublease from any and all sublessees.

The Authority shall be empowered, after an Event of Nonappropriation or an Event of Default and the foreclosure of the security afforded under this Lease, the applicable Master Resolution or the applicable Security Documents with respect to the Facility, to collect the amount of the Base Rentals and Additional Rentals allocable to any sublease from any and all sublessees, and apply the net amount collected to the Base Rentals and Additional Rentals required herein with respect to the Facility, but no such collection shall be deemed a waiver of any agreement, term, covenant or condition hereof, or the acceptance of any sublessee as lessee hereunder.

Section 13.3. Release and Indemnification Covenants. To the extent of the Net Proceeds of the insurance coverage of the City and the contractor's performance and payment bonds for the Facility required hereunder, the City shall and hereby agrees to indemnify and save the Authority harmless against and from all claims, by or on behalf of any person, firm, corporation or other legal entity arising from the conduct or management of, or from any work or thing done on, the Facility during the Lease Term from: (i) any condition of the Facility; and (ii) any act or negligence of the City or of any of its agents, contractors or employees or any violation of law or the breach of any covenant or warranty hereunder. The City shall indemnify and save the Authority harmless, from and to the extent of available moneys as set forth above, from any such claim arising as aforesaid from (i) or (ii) above, or in connection with any action or proceeding brought thereon and, upon notice from the Authority, shall defend them or either of them in any action or proceeding.

In exchange for the City's agreement to indemnify the Authority as provided in this Section 13.3, the Authority hereby agrees to assert any cause of action that it might have against any third parties for the benefit of the City. Furthermore, in no event will the Authority voluntarily settle or consent to the settlement of any proceeding arising out of any claim applicable to the Facility without the written consent of the City Representative.
Section 13.4. References to Bonds Ineffective After Bonds Paid. Upon payment in full of the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Master Resolution) and all fees and charges of Authority, all references in this Lease to said Bonds shall be ineffective and the Bondholders shall thereafter have no rights hereunder, saving and excepting those that shall have theretofore vested.

Section 13.5. Installation of the Furnishings and Machinery of the City. The City may from time to time in its sole discretion and at its own expense, install machinery, equipment and other tangible property in the Facility. All such machinery, equipment and other tangible property, except any machinery, equipment and other tangible property substituted for machinery, equipment and tangible property purchased with proceeds of the Bonds as provided in Section 13.6, shall remain the sole property of the City, in which the Authority shall have no interest and may be removed by the City at any time; provided, however, that the City shall be obligated to repair any damage to the Facility, at its own cost and expense, resulting from any such removal.

Section 13.6. Equipment Purchased with Proceeds of the Bonds. Any item of equipment shall be labeled, to the extent practicable, to indicate that it is owned by the Authority, subject to the Master Resolution, the Security Documents and this Lease. Equipment of the Facility financed with proceeds of the bonds may not be relocated by the City from the Facility. Any item of such equipment which shall be determined by the City to be no longer usable in connection with the Facility may be sold by the City after written notice to the Authority and upon (i) substitution of equipment of comparable or greater value or (ii) deposit of the proceeds thereof in the Bond Fund. Upon any such sale, the equipment so sold shall be released from the Master Resolution, this Lease, the Security Documents and the security interest created thereunder and hereunder.

ARTICLE XIV

EVENTS OF DEFAULT AND REMEDIES

Section 14.1. Events of Default Defined. Any one of the following shall be an "Event of Default" under this Lease:

(a) Failure by the City to pay any Base Rentals or Additional Rentals required to be paid under Sections 6.2 and 6.3 of this Lease at the time specified therein, in the absence of an Event of Nonappropriation, for a period of five (5) days after written notice, specifying such failure and requesting that it be remedied, given to the City by the Authority or, in any event, a failure by the City to make such payments within fifteen (15) days after the date on which they are due; or

(b) Failure by the City to observe and perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in (a), for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, given to the City by the Authority, unless the Authority shall agree in writing
to an extension of such time prior to its expiration; provided, however, that if the failure stated in the notice cannot be corrected within the applicable period, the Authority shall not unreasonably withhold its consent to an extension of such time if corrective action shall be instituted by the City within the applicable period and diligently pursued until the default is corrected; or

(c) The City shall abandon any material portion of the Facility; or

(d) The City's interest in this Lease or any part thereof with respect to the Facility shall be assigned or transferred without the written consent of the Authority, either voluntarily or by operation of law, except as permitted hereunder; or

(e) The City shall file any petition or institute any proceedings wherein or whereby the City seeks to be adjudicated a bankrupt, or to be discharged from any and all of its debts or obligations, or offers to the City's creditors to effect a composition or extension of time to pay the City's debts, or seeks a reorganization or a readjustment of the City's debts, or for any other similar release, or any such petition or any such proceedings of the same or similar kind or character shall be filed, or instituted or taken against the City and the same shall not have been dismissed or otherwise resolved in favor of the City within sixty (60) days from the filing or institution thereof.

The foregoing provisions of this Section 14.1 are subject to the following limitations: (i) the obligations of the City to make payments of the Base Rentals and the Additional Rentals as provided in Sections 6.2 and 6.3 of this Lease shall be subject to the occurrence of an Event of Nonappropriation; and (ii) if, by reason of Force Majeure, the City shall be unable in whole or in part to carry out any agreement on its part herein contained, other than the obligations of the City contained in Article VI hereof, the City shall not be deemed in default during the continuance of such inability. The City agrees, however, to remedy with all reasonable dispatch the cause or causes preventing the City from carrying out its agreement; provided, however, that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of the City, and the City shall not be required to make settlement of strikes, lockouts and other industrial disturbances by acceding to the demands of the opposing party or parties when such course is, in the judgment of the City, unfavorable to the City.

Section 14.2. Remedies on Default. Whenever an Event of Default referred to in Section 14.1 of this Lease shall have happened and be continuing, the Authority shall have the right, at its option or at the direction of the Bondholders as provided in the Master Resolution without any further demand or notice, to take one or any combination of the following remedial steps:

(a) Immediately reenter and take possession of the Facility; or

(b) Take whatever action at law or in equity may appear necessary or desirable to enforce their or its rights in and to the Facility.
The obligation of the City to vacate the Facility as provided in Section 6.6 of this Lease shall also apply to an Event of Default. Any amounts collected pursuant to action taken under this Section 14.2 shall be paid into the Bond Fund and applied in accordance with the provisions of the Master Resolution.

Section 14.3. Limitations on Remedies. No judgment requiring a payment of money may be entered against the City by reason of an Event of Default or an Event of Nonappropriation under this Lease. In the event the security interest created under the Master Resolution, this Lease or the Security Documents shall be foreclosed subsequent to the occurrence of an Event of Default or an Event of Nonappropriation, no deficiency judgment may be entered against the City or the Authority.

Section 14.4. No Remedy Exclusive. No remedy herein conferred upon or reserved to the Authority is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon an Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Authority to exercise any remedy reserved in this Article XIV, it shall not be necessary to give any notice, other than such notice as may be required in this Article XIV.

Section 14.5. Agreement to Pay Attorneys’ Fees and Expenses. In the event that either party hereto shall default under any of the provisions hereof and the non-defaulting party shall employ attorneys or incur other expenses for the collection of Base Rentals and Additional Rentals, or the enforcement of performance or observance of any obligation or agreement on the part of the defaulting party herein contained, the defaulting party agrees that it shall on demand therefore pay to the non-defaulting party the fees of such attorneys and such other expenses so incurred by the non-defaulting party, to the extent that such attorneys’ fees and expenses may be determined to be reasonable by a court of competent jurisdiction, provided, however, that the obligation of the City under this Section 14.5 shall be subject to the availability of City Funds.

Section 14.6. No Additional Waiver Implied by One Waiver. In the event that any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Interest shall accrue on the Series 2021 Bond from October 1, 2021 and shall be payable in annual installments on October 1 of each year commencing October 1, 2022. The Series 2021 Bond shall be initially issued as one fully registered State Bond.

If any annual installment of principal and interest on the Series 2021 Bonds is not paid when due and payable, the Authority shall pay interest on the delinquent installment at the rate of eighteen percent (18%) from said due date until paid.

If less than $6,200,000 is advanced on the Series 2021 Bond, the repayment period shall be shortened and the number of annual principal installments shall be reduced in inverse order of maturities (and the amount of the final remaining principal installment shall be reduced, if required) to correspond to the maximum principal amount of the Series 2021 Bonds.

Except as provided in the next succeeding paragraph, payments, whether at maturity or by redemption shall be payable upon presentation and surrender for payment of the Series 2021 Bonds by check in any currency which on the date of payment is legal tender for the payment of debts due the United States of America, to the Registered Owner thereof. Interest shall be made to the Registered Owner thereof and shall be paid by check or draft mailed to the Registered Owner thereof at his address as it appears on the registration books of the Authority maintained by the Registrar or at such other address as is furnished to the Registrar in writing by such Registered Owner.

So long as the CIB is the Registered Owner of the State Bonds, payments of principal and interest shall be made by check or draft and mailed to the CIB as the Registered Owner at the address shown on the registration books maintained by the Registrar.

ARTICLE III

EXECUTION, DELIVERY, EXCHANGE AND REGISTRATION OF SERIES 2021 BONDS

Section 3.1. Execution: Limited Obligation. The Series 2021 Bonds shall be executed on behalf of the Authority with the facsimile or manual signature of the President of its Governing Board and shall have impressed or imprinted thereon the official seal of the Authority and be attested with the facsimile or manual signature of the Secretary of the Governing Board of the Authority. All authorized facsimile signatures shall have the same force and effect as if manually signed.

The Series 2021 Bonds shall not be a general obligation but shall be special, limited obligations of the Authority payable solely out of and to the extent available from the Base Rentals, and, if paid by the City, the Purchase Option Price and other amounts derived from the leasing of the Facility (except to the extent paid out of moneys attributable to the proceeds derived from the sale of the Series 2021 Bonds or to income from the temporary investment thereof and, under certain
circumstances, to moneys held in funds or accounts by the Authority to proceed from insurance policies, performance bonds, condemnation awards and liquidation proceeds with respect to the Facility) and shall be a valid claim of the respective Bondholders thereof only against the Bond Fund, the Reserve Fund and other moneys held by the Authority and the Base Rentals, and other amounts derived from the leasing of the Facility under the Lease, which Base Rentals and other amounts are hereby pledged, assigned and otherwise secured for the equal and ratable payment of the Series 2021 Bonds and shall be used for no other purpose than to pay the principal of, premium, if any, and interest on the Series 2021 Bonds, except as may be otherwise expressly authorized in this Master Resolution or in the Lease. The Authority shall not be obligated to pay the principal of such Series 2021 Bonds or the interest thereon or other costs incident thereto except from the moneys pledged therefor under this Master Resolution. The Series 2021 Bonds and the interest thereon shall never constitute an indebtedness of the City within the meaning of any constitutional limitation or statutory provision and shall not constitute or give rise to a pecuniary liability of the City or a charge against the general credit or taxing power of the City. Neither the City, not the Authority on its behalf, has pledged the credit of the City to the payment of the Series 2021 Bonds, the interest thereon or amounts due or to become due under the Lease. The City shall not be obligated to appropriate City funds for the purpose of paying Base Rentals, Additional Rentals or the Purchase Option Price under the Lease, and no judgment may be entered against the City in the event of an insufficiency of moneys to pay the principal of, premium, if any, and interest on the Series 2021 Bonds. The payment obligations of the City under the Lease are subject to annual renewal and will be terminated upon the occurrence of an Event of Nonappropriation. In such event, all payments from the City under the Lease will terminate, and the Series 2021 Bonds and the interest thereon will be payable solely from and to the extent of such moneys, if any, as may be held by the Authority under this Master Resolution (except amounts held for the payment of Bonds not deemed Outstanding) and any moneys made available from a liquidation of the Facility subsequent to foreclosure of the lien of this Master Resolution and the Security Document. No deficiency judgment subsequent to foreclosure of the lien of this Master Resolution and the Security Documents may be entered against the City or the Authority, and no breach of any provision of the Lease, the Security documents or this Master Resolution shall impose any general obligation or liability upon or a charge against the City or the Authority or upon the general credit or taxing powers of the City. No judgment requiring a payment of money may be entered against the City under the Lease.

Section 3.2. Delivery of Series 2021 Bonds. Upon the execution and delivery of this Master Resolution, the Authority shall execute and deliver and the Secretary of the Authority shall authenticate the Series 2021 Bonds and deliver them to the CIB as directed by the Authority as hereinafter in this Section 3.2 provided.

Prior to the delivery of the Series 2021 Bonds, there shall be filed with the Authority:

(a) A copy, duly certified by the Secretary of the Authority of a resolution adopted by the Governing Board of the Authority, and a copy, duly certified by the City Recorder of the City, of a resolution of the governing body of the City, authorizing the issuance of the Series 2021 Bonds and the execution and delivery of this Master Resolution, the Lease, and
the Security Documents;

(b) Original executed counterparts of the Lease, the Security Documents, and this Master Resolution;

(c) An ALTA mortgagee’s policy, or commitment therefor, of mortgage title insurance in an amount equal to the principal amount of the Series 2021 Bonds, issued by a title insurance company satisfactory to the Authority insuring that (i) the Authority has a valid ownership interest in the Facility Site, (ii) the Facility is subject only to Permitted Encumbrances and (iii) the Security Documents constitute a first lien on the Facility Site subject only to Permitted Encumbrances. The policy shall also provide protection against any mechanic’s or materialman’s liens. In the event that title insurance on any portion of the property interests described above cannot be provided at the time of issuance of the Series 2021 Bonds, delivery of such title insurance shall be provided prior to disbursement of amounts to pay costs of such portion of the Project; and

(d) A certificate or other documentation evidencing that the City has insured the Facility as required by Article IX of the Lease.

Section 3.3. Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond is mutilated, lost, stolen or destroyed, the Authority may execute and authenticate a new Bond of like date, maturity and denomination to that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Authority, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the Authority evidence of such loss, theft or destruction satisfactory to the Authority, together with an indemnity satisfactory to them. In the event any such Bond shall have matured or is about to mature, instead of issuing a duplicate Bond, the Authority may pay the same without surrender thereof making such requirements as it deems fit for its protection, including a lost instrument bond or other satisfactory indemnity. The Authority may charge the Bondholder of such Bond with its reasonable fees and expenses in this connection.

Section 3.4. Exchange of State Bonds to Exchange Bonds. As long as the CIB is the sole Registered Owner of the Series 2021 Bonds, the Series 2021 Bonds shall be issued only as the State Bond in the form prescribed in Exhibit “A”. It is recognized that the CIB may sell or otherwise transfer the Series 2021 Bonds pursuant to the provisions of the State Financing Consolidation Act, Title 63, Chapter 65, Utah Code Annotated 1953, as amended, or otherwise. In the event the CIB determines to see or otherwise transfer all or a portion of the Series 2021 Bonds pursuant to the State Financing Consolidation Act, or otherwise, the State Bond may be exchanged at the office of the Paying Agent for a like aggregate principal amount of Exchange Bond in accordance with the provisions of this Section 3.4 hereof. Exchange Bond may thereafter be exchanged from time to time for other Exchange Bond in accordance with Section 3.5 hereof. Any Series 2021 Bonds, or any portion thereof, which is sold or otherwise transferred or liquidated by the CIB pursuant to the State Financing Consolidation Act, or otherwise, shall be in the form of an Exchange Bond
prescribed in Exhibit "B", and shall be executed pursuant to authorization contained in Section 3.5 hereof. Each payment on the State Bond not previously paid or canceled shall be represented by an equivalent principal amount of Exchange Bond, in authorized denominations, and of like maturity. The Authority and its officers shall execute and deliver such documents and perform such acts as may reasonably be required by the Authority to accomplish the exchange of the State Bond for Exchange Bond, provided that the CIB shall pay or cause to be paid all costs and other charges incident to such exchange and the Authority shall have no obligation to pay any such costs or charges.

Section 3.5. Registration Provisions. The Authority shall cause books for the registration and for the transfer of the Series 2021 Bonds to be kept by the Secretary who is hereby appointed the Registrar of the Issuer with respect to the Series 2021 Bonds. Any Series 2021 Bonds may, in accordance with its terms, be transferred only upon the registration books kept by the Registrar, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Series 2021 Bonds for cancellation accompanied by delivery of a written instrument of transfer in a form approved by the Registrar, duly executed. No transfer shall be effective until entered on the registration books kept by the Registrar. Upon surrender for transfer of any Series 2021 Bonds duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Registrar and duly executed by, the Registered Owner or his attorney duly authorized in writing, the Authority shall execute and deliver in the name of the transferee or transferees, a new Bond or Bonds of the same maturity for a like aggregate principal amount as the Series 2021 Bonds surrendered for transfer. Series 2021 Bonds may be exchanged at the office of the Registrar for a like aggregate principal amount of Series 2021 Bonds of other authorized denominations and the same series and maturity. The execution by the Authority of any Series 2021 Bonds of any authorized denomination shall constitute full and due authorization of such denomination, and the Registrar shall be authorized to deliver such Series 2021 Bonds. The Registrar shall not be required to transfer or exchange any Exchange Bond at any time following the mailing of notice calling such Series 2021 Bonds for redemption.

The Series 2021 Bonds surrendered for final payment, redemption or exchange, shall be promptly canceled and destroyed by the Authority.

The Authority, the Registrar and the Paying Agent may treat and consider the person in whose name each Series 2021 Bond is registered on the registration books kept by the Registrar as the holder and absolute owner thereof for the purpose of receiving payment of, or on account of, the principal or redemption price thereof and for all other purposes whatsoever, and neither the Authority, nor the Registrar nor the Paying Agent shall be affected by any notice to the contrary. Payment of any Bond shall be made only to or upon order of the Registered Owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

The Authority may require the payment by the Registered Owner requesting exchange or
transfer of Series 2021 Bonds of any tax or other governmental charge and any service charge which are required to be paid with respect to such exchange or transfer and such charges shall be paid before such new Bond shall be delivered.

Section 3.6. **Destruction of Bond.** Whenever any Outstanding Bond shall be delivered to the Authority for cancellation pursuant to this Master Resolution, upon final payment of the principal amount or interest represented thereby, or for replacement or exchange, transfer or partial redemption pursuant to Section 3.3, Section 3.4, Section 3.7 or Section 4.5 hereof, such Bond shall be promptly canceled and cremated or otherwise destroyed by the Authority and counterparts of a certificate of destruction evidencing such cremation or other destruction shall be furnished by the Authority to the City.

Section 3.7. **Temporary Bonds.** Bonds may be initially issued in temporary form exchangeable for definitive Bonds when ready for delivery. The temporary Bond shall be of such denomination or denominations as may be determined by the Authority, and may contain such reference to any of the provisions of this Master Resolution as may be appropriate. Every temporary Bond shall be executed and authenticated by the Authority upon the same conditions and in substantially the same manner as the definitive Bond. If the Authority issues temporary Bonds, it will execute and furnish definitive Bonds at the Authority’s expense (and without cost to the Bondholders of such temporary Bond) without unreasonable delay and thereupon the temporary Bond may be surrendered for cancellation and exchange therefor at the principal office of the Authority, and the Authority shall authenticate and deliver in exchange for such temporary Bond an equal aggregate principal amount of definitive registered Bond of authorized denominations of the same series and the same maturity. Until so exchanged, the temporary Bond shall be entitled to the same benefits under this Master Resolution as a definitive Bond Authenticated and delivered hereunder.

Section 3.8. **Issuance of Refunding Bonds.** To the extent permitted by law, the Authority may, at the request of the City authorize the issuance of Refunding Bonds upon the terms and conditions provided herein and in Section 11.7 of the Lease. Refunding Bonds may be issued to provide funds to refund the Bond then Outstanding, in whole or in part, and to pay the costs of the issuance and sale of the Refunding Bonds and other costs reasonably related to the financing as shall be agreed upon by the City and the Authority; provided, however, that (1) the Authority shall not be in default under this Master Resolution, the Security Documents or the Lease or any provision thereof or hereof, and the issuance of Refunding Bonds shall not constitute a default under the Lease or cause any violation of the covenants or representations of the City or the Authority in the Lease, the Security Documents or in this Master Resolution; (2) no Event of Default or Event of Nonappropriation shall have occurred under the Lease; (3) the Authority shall have otherwise complied with the provisions of this Section 3.8 with respect to the issuance of such Refunding Bonds; and (4) if the CIB is the present owner of the Series 2021 Bonds, the Authority shall have obtained the prior written approval of the CIB for the Authority to issue the Refunding Bonds for the Bonds owned by the CIB.
Section 3.9. **Additional Bonds.** So long as the Lease is in effect and no Event of Default under this Master Resolution, the Security Documents or the Lease has occurred and is continuing and so long as no Event of Nonappropriation has occurred and is continuing, one or more series of Additional Bonds may be issued, authenticated and delivered for the purpose of financing (i) costs to complete construction of the Project (except to the extent paid out of moneys attributable to the proceeds derived from the sale of the Series 2021 Bonds, or to income from the temporary investment thereof and, under certain circumstances, to moneys held in funds or accounts by the Authority, to proceeds from insurance policies, performance bonds, condemnation awards and liquidation proceeds with respect to the Facility), (ii) costs of additions or improvements to the Facility or (iii) the cost of acquiring, constructing, equipping and furnishing of any sites, buildings or equipment or continuation thereof, for the use and benefit of the City, but only to the extent that (i) such additional sites, buildings and equipment, or any combination thereof, constitute a “project” within the meaning of the Utah Local Building Authority Act, and (II) the Lease and the Security Documents are amended as herein provided to include such sites, buildings and equipment as part of the Facility thereunder. Such Additional Bonds shall be payable solely from the Base Rentals and, if paid by the City, the Purchase Option Price and other amounts derived from the leasing of the Facility. The Additional Bonds may be issued in one or more series, shall be authenticated by the Authority and, upon payment to the Authority of the proceeds of said sale of Additional Bonds, they shall be delivered by the Authority to or upon the order of the purchasers thereof, but only upon there being filed with the Authority:

(b) Original executed counterparts of a supplemental resolution, a supplement (if necessary) to the Security Documents, and an amendment of the Lease expressly providing that, for all purposes of this Master Resolution and the Lease the “Facility” shall include any facilities being financed by the Additional Bonds and that the Bond shall mean and include the Additional Bond being issued as well as any Bond and Additional Bond theretofore issued, and further providing for an increase in the Base Rentals to be paid by the City under the Lease in such amount as shall be necessary to pay, assuming that no Event of Default or Event of Nonappropriation shall occur, the principal of, premium, if any, and interest, if any, on the Bond and the Additional Bonds being issued and any Additional Bonds theretofore issued, and to extend the Lease Term if the maturity of any of the Additional Bonds would otherwise occur after the expiration of the then current Lease Term. The date or dates of the Additional Bonds, the rate or rates of interest on the Additional Bonds, and the redemption provisions (if any) with respect thereto all shall be as provided in the supplemental resolution rather than as provided in this Master Resolution, and may differ from the provisions with respect to the Bond set forth in this Master Resolution, except that interest, if any, on such Additional Bonds shall be payable on October 1 of each year during the term thereof and principal of the Additional Bond shall, in each year in which principal falls due, be payable
on October 1;

(c) A written opinion of nationally recognized bond counsel, to the effect that the issuance of the Additional Bonds and the execution thereof have been duly authorized, all conditions precedent to the delivery thereof have been fulfilled;

(d) A date-down endorsement to the ALTA mortgagee title insurance policy issued in connection with the issuance of the Bonds, which endorsement shall insure to the date of issuance of such Additional Bonds and the recording of any supplement to the Security Documents the continuing validity of the lien thereof, as modified by any supplement to the Security Documents, as a first and prior lien on the premises thereby secured, subject only to Permitted Encumbrances, and which endorsement shall increase the amount of title insurance coverage thereunder to an amount at least equal to the principal amount of the Additional Bonds plus the amount of coverage originally provided in such policy and naming the Authority and the registered owner of the Bond as an insured or, in the alternative, such policy shall be delivered prior to any disbursements being made for such portion of the Facility for which a policy cannot be delivered at closing;

(e) A copy, duly certified by the City Recorder of the City, of the resolution adopted and approved by the governing body of the City approving the issuance of such Additional Bonds and the terms thereof;

(f) If such series of Additional Bonds is being issued in whole or in part for construction purposes, (i) a copy, duly certified by the Secretary of the Authority, of the project contract and architect’s agreement with respect to such construction and the performance and payment bond covering such project contract, or a requirement to deliver the same prior to disbursements being made with respect to such portion of the Project, and (ii) a certificate of the architect or engineer responsible for planning and designing any such construction which sets forth the estimated useful life of the project, as so improved and extended, in compliance with Section 17D-2-302 of the Utah Local Building Authority Act;

(g) A written opinion of counsel to the City as to the legal, valid and binding nature of the amendment to the Lease as against the City and such other matters as may be reasonably required by the purchasers of such Additional Bonds;

(h) A written opinion of counsel to the Authority as to the legal, valid and binding nature of the amendment to the Lease, and the supplement to this Master Resolution and the Security Documents as against the Authority and such other matters as may be reasonably required by the purchasers of such Additional Bonds;

(i) A certificate of the Authority, stating that as of the date of such delivery no event of condition has happened or exists and is continuing, or is happening or existing, which constitutes, or which, with notice or lapse of time or both, would constitute, an Event
of Default under this Master Resolution, the Security Documents or the Lease and there has not occurred and is then continuing an Event of Nonappropriation;

(j) If the CIB is the present owner of the Series 2021 Bonds, the written approval of the CIB for the Authority to issue the Additional Bonds; and

(k) Such other agreements, certificates, documents and opinion as are required to be delivered to the purchasers of such Additional Bonds, each in form and substance satisfactory to the Authority and, as to opinions, addressed to the Authority if the Authority so directs.

Each series of Additional Bonds issued pursuant to this Master Resolution shall be equally and ratably secured under this Master Resolution and the Security Documents with the Series 2021 Bond and all other series of Additional Bonds, if any, theretofore issued pursuant to this Master Resolution, without preference, priority or distinction of any Bond over any other thereof.

ARTICLE IV

REDEMPTION OF BOND BEFORE MATURITY

Section 4.1. Redemption Dates and Prices.

(a) The Series 2021 Bonds are subject to prepayment and redemption at any time, in whole or in part (if in part, in integral multiples of $1,000), at the election of the Authority in inverse order of the due date of the principal installments thereof, upon notice given as hereinafter set forth, at a redemption price equal to the principal amount to be so prepaid, plus accrued interest, if any, to the date of prepayment or redemption.

(b) The Series 2021 Bonds are also subject to prepayment and redemption in whole on any date, if (i) the Facility or a material portion thereof is damaged or destroyed or taken in a condemnation proceeding, or a material defect in the construction of the Facility shall become apparent, or title to or the use of all or any material portion of the Facility shall be lost by reason of a defect in title thereto, (ii) the Net Proceeds (as defined in the Lease) of any insurance policy, performance bond or condemnation award made available by reason of one or more such occurrences shall be insufficient to pay in full the cost of repairing and replacing the Facility, and (iii) the City elects to discharge its obligation to repair and replace the Facility by depositing such Net Proceeds into the Bond Fund. Upon the deposit of such Net Proceeds into the Bond Fund, payment obligations of the City with respect to the Facility under the Lease shall terminate and the City shall have no further obligation for the payment of Base Rentals and Additional Rentals with respect to the Facility thereunder, and possession of the Facility shall be surrendered to the Authority for the Bondholders. All right, title and interest of the City and the Authority in any funds or accounts created under the Master Resolution (other than amounts held for the payment of principal of the Bond not then deemed Outstanding) shall be held by the Authority and applied to the prepayment
or redemption of the Bond at the earliest date practicable. Thereafter, the Security Documents may
be foreclosed and the Facility liquidated and the Net Proceeds of such liquidation and of any
insurance policy, performance bond or condemnation award so deposited in the Bond Fund, as well
as all other moneys on deposit in any fund created under the Master Resolution (except moneys held
for the payment of principal of the Bond not then deemed Outstanding), shall be applied to the
prepayment or redemption of the Bond as the Authority may determine at the earliest date
practicable. Such prepayment or redemption of the Bond shall be made upon payment of the
principal amount of the Bond then Outstanding plus accrued interest, if any, thereon, all in
accordance with the Master Resolution. IN THE EVENT THE BONDS ARE TO BE PREPAID
SUBSEQUENT TO THE OCCURRENCE OF AN EVENT DESCRIBED IN THIS PARAGRAPH
BY PAYMENT OF AN AMOUNT LESS THAN THE OUTSTANDING PRINCIPAL AMOUNT
THEREOF AND ACCRUED INTEREST, IF ANY, TO THE PREPAYMENT DATE, NO
FURTHER CLAIM FOR PAYMENT MAY BE HAD BY THE HOLDERS OF THE BOND
AGAINST THE AUTHORITY OR THE CITY.

If called for prepayment at any time pursuant to the provisions above, the Series 2021
Bonds shall be subject to prepayment by the Authority in whole or in part except that in the event
that the amount available to prepay such Bonds under paragraph (i) above, following a liquidation
of all of the Facility, is less than the amount required to pay the principal of and interest on the Bonds
to the prepayment date, the Bonds shall be redeemed in whole and the amount available therefor
applied as provided in Section 10.8(b) hereof. Except as otherwise provided above, in the event that
the Bonds are prepaid, such prepayment will be made at a price (expressed as a percentage of
principal amount) of 100% plus accrued interest on delinquent payments to the prepayment date.

Section 4.2. Notice of Redemption.

(a) In the event any of the State Bonds are to be redeemed, the Registrar shall
mail notice of such redemption by first class mail, postage prepaid, to all Registered Owners of State
Bonds to be redeemed at their addresses as they appear on the registration books of the Registrar at
least thirty (30) days but not more than forty-five (45) days prior to the date fixed for redemption.

(b) In the event any of the Exchange Bonds are to be redeemed, the Registrar shall
cause notice to be given as provided in this Section 4.2. Notice of such redemption shall be mailed
by first class mail, postage prepaid, to all registered owners of Exchange Bonds to be redeemed at
their addresses as they appear on the registration books of the Registrar at least thirty (30) days but
not more than forty-five (45) days prior to the date fixed for redemption. Such notice shall state the
following information:

(i) the complete official name of the Exchange Bond, including series,
to be redeemed, the identification numbers of the Exchange Bond being redeemed;

(ii) any other descriptive information needed to identify accurately the
Exchange Bond being redeemed, including, but not limited to, the original issue date
of such Exchange Bond;

(iii) in the case of partial redemption of any Exchange Bond, the respective principal amounts thereof to be redeemed;

(iv) the date of mailing of redemption notices and the redemption date;

(v) the redemption price;

(vi) that on the redemption date the redemption price will become due and payable upon each such Exchange Bond or portion thereof called for redemption; and

(vii) the place where such Exchange Bond is to be surrendered for payment of the redemption price, designating the name and address of the redemption agent with the name of a contact person and telephone number.

(c) Upon the payment of the redemption price of Exchange Bond being redeemed, each check or other transfer of funds issued for such purpose shall identify the Exchange Bond being redeemed with the proceeds of such check or other transfer.

(d) The Registrar shall not give notice of such a redemption until there are on deposit with the Paying Agent sufficient funds for the payment of the redemption price.

Notice of redemption shall be given, not more than forty-five (45) nor less than thirty (30) days prior to the redemption date, to registered owners of the Exchange Bond, or portions thereof, to be redeemed. A second notice of redemption shall be given, not later than ninety (90) days subsequent to the redemption date, to registered owners of Exchange Bond or portions thereof redeemed but who failed to deliver Series 2021 Bonds for redemption prior to the 60th day following such redemption date. Any notice mailed shall be conclusively presumed to have been duly given, whether or not the registered owner of such Series 2021 Bonds receives the notice. Receipt of such notice, shall not be a condition precedent to such redemption, and failure so to receive any such notice by any of such registered owners shall not affect the validity of the proceedings for the redemption of the Series 2021 Bonds.

In case any Exchange Bond is to be redeemed in part only, the notice of redemption which relates to such Exchange Bond shall state also that on or after the redemption date, upon surrender of such Series 2021 Bonds, a new Series 2021 Bonds in principal amount equal to the unredeemed portion of such Series 2021 Bonds will be issued.

Section 4.3. Redemption Payments. Except as otherwise provided in Section 2.2 hereof, no payment shall be made by the Authority upon any Bond or portion thereof called for prepayment or redemption until such Bond or portion thereof shall have been delivered for payment or cancellation or the Authority shall have received the items required by Section 3.3 hereof with
respect to any mutilated, lost, stolen or destroyed Bond.

Section 4.4. Cancellation. All Bonds which have been redeemed shall not be reissued but shall be canceled and cremated or otherwise destroyed by the Authority in accordance with Section 3.6 hereof.

Section 4.5. Partial Redemption of Bond. Upon surrender of any Exchange Bond for prepayment or redemption in part only, the Authority shall execute, authenticate and deliver to the Bondholder thereof a new Exchange Bond or Bond of the same series and the same maturity, of authorized denominations in an aggregate principal amount equal to the unredeemed portion of the Exchange Bond surrendered, which new Exchange Bond or Bonds shall be a fully registered Exchange Bond or Bonds.

ARTICLE V

The Authority covenants that it will promptly pay the principal of and premium, if any, and interest on every Bond issued under this Master Resolution at the place, on the dates and in the manner provided herein and in the respective Bond according to the true intent and meaning thereof, but solely from the Base Rentals and, if paid by the City under the Lease, the Purchase Option Price with respect to the Facility, the purchase option price and other amounts pledged therefor which are from time to time held by the Authority in the Bond Fund and the Reserve Fund. The Authority shall in no event be liable for the payment of the principal of and premium, if any, or interest on any of the Series 2021 Bonds or for the performance of any pledge, obligation or agreement undertaken by the Authority except to the extent that the moneys pledged herein, or assets granted herein or in the Security Documents as security, are sufficient therefor.

Section 5.2. Performance of Covenants; the Authority. The Authority covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Master Resolution, in the Lease, in the Security Documents, in any and every Bond executed, authenticated and delivered hereunder and in all of its proceedings pertaining hereto. The Authority covenants that it is duly authorized under its Articles of Incorporation, the Constitution and laws of the State of Utah, including a resolution duly adopted by the Mayor and City Council of the City, to issue the Series 2021 Bonds authorized hereby and to execute this Master Resolution, to assign the Lease and to pledge the Base Rentals, the Purchase Option Price and other amounts
hereby pledged in the manner and to the extent herein set forth, that all action on its part for the issuance of the Bond and the execution and delivery of the Lease and the Security Documents and this Master Resolution has been duly and effectively taken, and that the Series 2021 Bonds in the hands of the Bondholders are and will be valid and enforceable special, limited obligations of the Authority according to the terms thereof and hereof.

Section 5.3. Ownership; Instruments of Further Assurance. The Authority covenants that it will own the Facility and any property becoming a part of the Facility shall be acquired and kept free of all liens and encumbrances, except Permitted Encumbrances. The Authority will defend the title to and interest in the Facility and each part thereof, for the benefit of the Bondholders against the claims and demands of all persons whomever, except for claims and demands arising from Permitted Encumbrances as provided in the Lease. To the extent necessary and to the extent it may lawfully do so, the City will join with the Authority in any action taken by the Authority pursuant to the provisions of the preceding sentence. The Authority will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered such resolutions supplemental hereto and such further acts, instruments and transfers as reasonably required for the better assuring, transferring, conveying, pledging, assigning and confirming all and singular the Facility, the Base Rentals, Purchase Option Price and other amounts pledged hereby to the payment of the principal of and premium, if any, and interest on the Series 2021 Bonds. The Authority, except as herein and in the Lease provided, will not sell, convey, mortgage, encumber or otherwise dispose of any part of the Facility or the Base Rentals, the Additional Rentals, Purchase Option Price, revenues and receipts therefrom or its rights under the Lease, together with any additions thereto and substitutions therefor, subject to Permitted Encumbrances.

Section 5.4. Perfection of Security Interest.

(a) This Master Agreement creates a valid and binding pledge and assignment of and security interest in all of the personal property pledged as part of the Facility, Base Rental and Additional Rentals under this Master Agreement as security for payment of the Series 2021 Bonds, enforceable by the Bondholder in accordance with the terms thereof.

(b) Under the laws of the State, such pledge and assignment and security interest is automatically perfected by Section 11-14-28, Utah Code Annotated 1953, as amended, and is and shall be prior to any judicial lien hereafter imposed on the personal property pledged as part of the Facility to enforce a judgment against the Authority on a simple contract.

Section 5.5. Inspection of Facility Books. All books and records of the Authority wherever located relating to the Facility and the Base Rentals, the Additional Rentals, Purchase Option Price and other amounts derived from the Facility shall at all reasonable times be open to inspection by such accountants or other agents as the Bondholders may from time to time designate.

Section 5.6. List of Bondholders. The Authority shall keep a list of names and addresses of the Bondholders of all Series 2021 Bonds as from time to time registered on the registration books
of the Authority maintained by the Bond Registrar, together with the principal amount and numbers of such Bonds. At reasonable times and under reasonable regulations, said list may be inspected and copied by the City or by Bondholders (or a designated representative thereof) of 15% or more in aggregate principal amount of the Series 2021 Bonds then Outstanding, such ownership and the authority of such designated representative to be evidenced to the satisfaction of the Authority.

Section 5.7. Rights Under Lease and the Security Documents. The Lease and the Security Documents set forth the covenants and obligations of the Authority and the City. Reference is hereby made to the same for a detailed statement of said covenants and obligations of the Authority and the City hereunder, and the Authority may enforce all rights of the Authority and all obligations of the City under and pursuant to the Lease and the Security Documents for and on behalf of the Bondholders, whether or not the Authority is in default hereunder.

Section 5.8. Designation of the Secretary as Bond Registrar and Treasurer as Paying Agent and Designation of Any Additional Paying Agents. The Secretary is hereby designated and agrees to act as Registrar and the Treasurer is designated and agrees to act as Paying Agent for and in respect to the Series 2021 Bonds. The Authority may appoint additional paying agents from time to time by giving notice of such appointments to the Bondholders. The Authority hereby covenants and agrees to cause the necessary arrangements to be made for the making available of funds hereunder for the payment of such of the Series 2021 Bonds as shall be presented when due at the principal office of the Paying Agent.

Section 5.9. Filing of Records. So long as any Series 2021 Bonds remain outstanding, proper books of record and account will be kept by the Authority separate and apart from all other records and accounts, showing complete and correct entries of all transactions relating to the Facility. Each Bondholder or any duly authorized agent or agents of such holder shall have the right at all reasonable times to inspect all records, accounts and data relating thereto and to inspect the Facility and all properties constituting the Facility. Except as otherwise provided herein, the Authority further agrees that it will within one hundred eighty (180) days following the close of each fiscal year (the term “fiscal year” as used in this subsection meaning whatever twelve-month period the Authority may from time to time be using for general financial accounting purposes) cause an audit of such books and accounts to be made by an independent firm of certified public accountants, showing the receipts and disbursements for account of the Facility, and that such audit will be available for inspection by each Bondholder; provided, however, during such periods of time as the CIB is the registered owner of the State Bond, each such audit will be supplied to the CIB as soon as completed without prior request therefor by the CIB. Each such audit, in addition to whatever matter may be thought proper by the accountant to be included therein, shall include the following:

(a) A statement in detail of the income and expenditures of the Facility for such fiscal year;

(b) A balance sheet as of the end of such fiscal year;
(c) The accountant’s comments regarding the manner in which the Authority has carried out the requirements of this Master Resolution, and the accountant’s recommendations for any change or improvement;

(e) An analysis of all funds and accounts created in this Master Resolution, setting out all deposits and disbursements made during the fiscal year and the amount in each fund or account at the end of the fiscal year.

The CIB may, upon written request from the Authority setting forth the reasons why a certified audit is not necessary or is impractical, waive the audit requirements for any particular fiscal year set forth in this Section 5.9.

ARTICLE VI

REVENUES AND FUNDS

Section 6.1. Source of Payment of Bond. The Series 2021 Bonds herein authorized and all payments by the Authority hereunder are not general obligations of the Authority but are special, limited obligations payable solely from the Base Rentals and the Purchase Option Price and other amounts derived from the Facility under the Lease and as provided herein.

The Facility has been leased under the Lease and the Base Rentals and the Purchase Option Price provided in Sections 6.2 and 12.1, respectively, of the Lease are to be remitted directly to the Authority and deposited in the Bond Fund along with all other moneys authorized or required to be deposited in the Bond Fund under the Lease. Such Base Rentals and Purchase Option Price are hereby pledged to such payment.

Section 6.2. Creation of Bond Fund. There is hereby created and held by the Authority and ordered established a fund to be designated “Municipal Building Authority of Cedar City, Iron County, Utah Series 2021 Bond Fund”, which shall be used to pay the principal of and premium, if any, and interest on the Series 2021 Bonds.

Section 6.3. Payments into Bond Fund. There shall be deposited into the Bond Fund all accrued interest received, if any, at the time of the issuance, sale and delivery of the Series 2021 Bonds. In addition, there shall be deposited into the Bond Fund, as and when received, (i) any amount in the Escrow Account directed to be paid into the Bond Fund pursuant to Section 7.3 of the Lease or any amount in the Reserve Fund directed to be paid into the Bond Fund in accordance with the provisions of Section 6.7 hereof; (ii) any Net Proceeds of any insurance policy, performance bond or condemnation award to be deposited in the Bond Fund pursuant to Sections 10.2 and 10.3 of the
Lease; (iii) all Base Rentals, and, if paid by the City, the Purchase Option Price with respect to the Facility specified in Sections 6.2 and 12.1 of the Lease; and (iv) all other moneys received by the Authority under and pursuant to any of the provisions of the Lease which are required or which are accompanied by directions that such moneys are to be paid into the Bond Fund. The Authority hereby covenants and agrees that so long as any of the Series 2021 Bonds issued hereunder are Outstanding, it will deposit in the Bond Fund for its account, any moneys which are pledged under this Master Resolution for the payment of the principal of and premium, if any, and interest on the Series 2021 Bonds and which are required to be deposited into the Bond Fund.

The Authority covenants and agrees that should there be an Event of Default or an Event of Nonappropriation under the Lease with the result that the right of possession of the Facility is returned to the Authority, the Authority shall fully cooperate with the Bondholders to fully protect the rights and security of the Bondholders and shall diligently proceed in good faith and, if requested by any Bondholder, shall use its best efforts to secure a purchaser or another lessee of the Facility so that at all times sufficient rents and other amounts will be derived from the Facility promptly to meet and pay the principal of and premium, if any, and interest on the Series 2021 Bonds as the same become due and payable, as well as to cover the cost of all Additional Rentals with respect to the Facility required under the Lease. Nothing herein shall be construed as requiring the Authority to operate the Facility or to use any funds or revenues from any source other than the rents and other amounts derived from the Facility promptly to meet and pay the principal of and premium, if any, and interest on the series 2021 Bonds as the same become due and payable, as well as to cover the cost of all Additional Rentals with respect to the Facility required under the Lease. Nothing herein shall be construed as requiring the Authority to operate the Facility or to use any funds or revenues from any source other than the rents and other amounts derived from the Facility.

Section 6.4. Use of Moneys in Bond Fund. Except as provided herein, moneys in the Bond Fund shall be used solely for the payment of the principal of and premium, if any, and interest on the Bonds including mandatory sinking fund payments, if any, of principal of the Bonds, and for the redemption of the Bonds prior to maturity, and the Bond Fund shall be depleted for such purposes at lease annually. The Authority shall maintain sub-accounts within the Bond fund with respect to each series of Bonds in order to properly utilize all moneys deposited therein for their intended purposes, it being the intent hereof that, except as otherwise provided herein, all Bonds authorized hereunder will be equally secured by an equal lien pledge of moneys deposited in the Bond Fund.

Section 6.5. Custody of Bond Fund. The Bond Fund shall be in the custody of the Authority, and the Authority shall withdraw sufficient funds from the Bond Fund to pay the principal of and premium, if any, and interest on the Bonds as the same become due and payable, and to utilize the moneys in the Bond Fund as provided in Section 6.4 hereof.

Section 6.6. Creation of Reserve Fund. There is hereby created and established with the Authority a trust fund in the name of the Authority to be designated “Municipal Building Authority of Cedar City, Iron County, Utah Series 2021 Reserve Fund” which shall be expended in accordance with the provisions of Section 6.7 hereof.
Section 6.7. Deposit to and Use and Moneys in the Reserve Fund. Beginning October 1, 2022, and on each October 1 thereafter until the Reserve Fund is fully funded, there shall be deposited into the Reserve Fund, from the Base Rentals received by the Authority, the amount of $46,213 per year for six years, until there is on deposit in the Series 2021 Reserve Fund, the sum of the Reserve Fund Requirement for the Series 2021 Bonds. The Authority may maintain sub-accounts within the Reserve Fund in order to properly utilize all moneys deposited therein for their intended purposes. Any moneys held in the Reserve Fund shall be invested and reinvested by the Authority in Investment Obligations. Moneys held in the reserve Fund shall be applied as follows:

(a) If within five (5) Business Days of any Principal Payment Due the moneys held in the Bond Fund are insufficient to pay all interest and principal then becoming due, the Authority shall transfer, on or before such date, moneys from the Reserve Fund to the Bond Fund to the extent that the amount of money so transferred plus all moneys then held in the Bond Fund shall be sufficient to pay all interest, premium, if any, and principal payments then becoming due and payable on such date (such moneys to be used for the payment of principal, premium, if any, or interest on the Series 2021 Bonds); and

(b) In the event that the City shall exercise its option to purchase the Facility and terminate its payment obligations under the Lease upon payment of the Purchase Option Price, the Authority shall transfer all moneys held in the Reserve Fund to the Bond Fund.

The Authority shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in the Bond Fund is insufficient to pay the principal of and premium, if any, and interest on the Series 2021 Bonds when due.

Section 7.2. Method of Valuation and Frequency of Valuation. In computing the amount in any Fund or account, Investment Obligations shall be valued at the market value of such Obligations, exclusive of accrued interest. Section 8.1. Subordination of Rights to City. This Master Resolution and the rights and
privileges hereunder of the holders of the Series 2021 Bond are specifically made subject and subordinate to the rights and privileges of the City set forth in the Lease to exercise its option to purchase the Facility in the event of, and subsequent to, the occurrence of an Event of Default, but prior to the liquidation of the Facility; provided, however, that as a condition of the exercise of such option, the City must pay, in addition to the Purchase Option Price, any interest payment deficiencies accruing from the date of the Event of Default or Event of Nonappropriation. The Authority agrees that it shall execute and deliver any instrument necessary or appropriate at any time to confirm, evidence or enable the City to enjoy such rights and privileges, including without limitation, those referred to in Section 8.2 hereof.

Section 8.3. Release of Equipment Forming a Part of the Facility. Reference is made to the provisions of the Lease, whereby the City may withdraw certain items of equipment forming a part of the Facility upon substitution of other property of comparable or greater value, or upon deposit of sale proceeds in the Bond Fund, in conformity with the terms and conditions of the Lease.

ARTICLE IX

DISCHARGE OF LIEN

If the Authority shall pay or cause to be paid, or there shall be otherwise paid or provisions for payment made to or for the Bondholders, the principal of and premium, if any, and interest due or to become due on the Series 2021 Bonds at the times and in the manner stipulated therein, and if the Authority shall not then be in default in any of the other covenants and promises in the Series 2021 Bonds and the Security Documents and in this Master Resolution expressed as to be kept, performed and observed by it or on its part, then these presents and the estate and rights hereby granted shall cease, determine and be void, whereupon the Authority shall cancel and discharge the lien of this Master Resolution, and release, assign and deliver unto the City any and all estate, right, title and interest in and to any and all rights otherwise subject to the lien of this Master Resolution, including amounts in the Bond Fund and the Reserve Fund required to be paid to the City under Section 6.10 of this Master Resolution and all rights granted under the Security documents, except moneys or securities held by the Authority for the payment of the principal of and premium, if any, and interest on the Series 2021 Bonds.

Any Series 2021 Bonds shall be deemed to be paid within the meaning of this Article and for all purposes of this Master Resolution when payment of the principal of and the applicable redemption premium, if any, on such Bond, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided in this Master Resolution, or otherwise), either (i) shall have been made or caused to be made in accordance with the terms
thereof, or (ii) the Authority shall have irrevocably set aside in trust exclusively for such payment, (1) moneys sufficient to make such payment, and/or (2) noncallable Government Obligations maturing as to principal and interest in such amount and at such times as will ensure, without reinvestment, the availability of sufficient moneys to make such payment. At such time as a Series 2021 Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefits of this Master Resolution or the Security Documents, except for the purposes of any such payment from such moneys or Government Obligations.

Notwithstanding the foregoing, no deposit under clause (ii) of the immediately preceding paragraph shall be deemed a payment of such Bond as aforesaid until: (a) proper notice of redemption of such Bond shall have been previously given in accordance with Article IV of this Master Resolution, or in the event said Bond are not by their terms subject to redemption within the next succeeding sixty (60) days, until the Authority shall have given notice to the Bondholders of the Bond, in accordance with Article IV hereof, that the deposit required by (ii) above has been made with the Authority and that said Bond are deemed to have been paid in accordance with this Article IX, and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or redemption price, if applicable, on said Bond and to call for redemption pursuant to this Master Resolution any Bond to be redeemed prior to maturity; or (b) the maturity of such Bond.

All moneys so deposited with the Authority as provided in this Article IX may at the direction of the Authority also be invested and reinvested in Government Obligations, maturing in the amounts and at times as hereinbefore set forth, and all income from all Government obligations in the hands of the Authority pursuant to this Article IX which is not required for the payment of the Series 2021 Bonds and interest and premium, if any, thereon with respect to which such moneys shall have been so deposited, shall be deposited in the Bond Fund as and when realized and collected for use and application as are other moneys deposited in that fund.

Notwithstanding any provision of any other Article of this Master Resolution which may be contrary to the provisions of this Article, all moneys or Government Obligations set aside and held in trust pursuant to the provisions of this Article IX for the payment of Bond (including interest and premium thereon, if any) shall be applied to and used solely for the payment of the particular Bond (including interest and premium thereof, if any) with respect to which such moneys and Government Obligations have been so set aside in trust.

ARTICLE X

DEFAULT PROVISIONS AND REMEDIES

(a) Failure to pay when due interest on the Series 2021 Bonds;

(h) A court of competent jurisdiction shall enter an order, judgment or decree approving a petition filed against the Authority under the provisions of any bankruptcy act and such order, judgment or decree shall not be vacated or set aside or stayed within sixty (60) days from the date of entry of such order, judgment or decree;

(j) Subject to the limitations contained in the Lease, the Authority shall unreasonably delay or fail to carry on with reasonable dispatch any substantial part of the Facility.

Section 10.2. Acceleration, Limitation on Remedies. Upon the occurrence of an Event of Default, the Bondholders of not less than 25% in aggregate principal amount of the Bond Outstanding may, by notice in writing deliver to the Authority, declare the principal of all Bonds then
Outstanding and the interest accrued thereon immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable. With respect to the Series 2021 Bonds, such amounts of principal and interest payable thereon shall bear interest from the date of acceleration, as herein provided, until paid at the rate of eighteen percent (18%) per annum, unless otherwise waived in whole or in part by the Bondholder.

Upon any sale made either under the power of sale given in this Article X or given in the Security Documents or under a judgment, order or decree made in any judicial proceedings for the foreclosure or enforcement of this Master Resolution and/or the Security Documents, the principal of all Series 2021 Bonds then Outstanding, if not previous due, shall at once become and be immediately due and payable without declaration or notice by the Bondholders.

Notwithstanding anything to the contrary contained in this Master Declaration, no deficiency judgment upon foreclosure of the lien of this Master Resolution or of the Security Documents against the Facility may be entered against the City or the Authority, and no breach of any provision of the Lease, the Security Documents or the Master Resolution shall impose any general obligation or liability upon or a charge against the City or the Authority or upon the general credit or taxing powers of the City. Additionally, no judgment requiring a payment of money may be entered against the City by reason of an Event or an Event of Nonappropriation under the Lease.

Notwithstanding anything contained herein to the contrary, the rights and privileges of the Bondholders are subject to the right of the City to purchase the Facility as set forth in the Lease, respectively, and the Bondholders shall make no final sale or other final disposition of any interest in the Facility pursuant to any available foreclosure remedy without notifying the City in writing of the occurrence of an Event of Default, and allowing the City ninety (90) days from the mailing of such notice to exercise their respective options to purchase the Facility.

Section 10.3. Surrender of Possession of Facility; Rights and Duties of Authority in Possession. Upon the occurrence of an Event of Default under this Master Resolution, the Authority, upon demand of the Bondholders, shall forthwith surrender, and it shall be lawful for the Bondholders, by such officer or agent as they may appoint, to take possession of all or any part of the Facility together with the books, papers and accounts of the Authority pertaining thereto, and including the rights and the possession of the Authority with respect to the Facility under the Lease, and to make all needful repairs and improvements as the Bondholders shall deem wise. Upon the occurrence of an Event of Default, the Bondholders may execute a written notice of default and an election to cause the Facility or any portion thereof to be sold to satisfy the obligations of the authority under this Master Resolution in accordance with the provisions of the Security Documents and/or may cause a sale of personal property as provided by law. The Bondholders may also lease or otherwise dispose of the Facility in the name and for the account of the Authority and in such manner as the Bondholders, in their sole discretion, may elect. In connection with any such sale or leasing of the Facility, the Bondholders may collect, receive and sequester the rental payments, revenues, earnings, income, products and profits therefrom, and out of the same and any moneys received from any receiver pay, or set up the proper reserve for the payment of, all proper costs and
expenses of so taking, holding, leasing, selling and managing the same, including reasonable compensation to the Bondholders, its agents and counsel, and any charges of the Bondholders hereunder, and any taxes and assessments and other charges prior to the lien of this Master Resolution and the Security Documents which the Bondholders may deem it wise to pay, and all expenses of such repairs and improvements, and apply the remainder of the moneys so received in accordance with the provisions of Section 10.8 hereof. Whenever all that is due upon the Series 2021 Bonds shall have been paid and all defaults made, cured or waived, the Bondholders shall surrender whatever possession the Bondholders shall retain to the Authority; the same right of entry, however, to exist upon any subsequent Event of Default.

While in possession of such property the Bondholders shall render annually to the Authority and the City, at their addresses set forth in the registration book required by Section 5.6 hereof, a summarized statement of income and expenditures in connection therewith.

While any Series 2021 Bonds are Outstanding, the Authority shall not exercise any of the remedies on default specified in Section 14.2 of the Lease without the prior written consent of the Bondholders.

Section 10.4. Other Remedies: Rights of Bondholders. Except as otherwise limited by the provisions of this Master Resolution upon the occurrence of an Event of Default under this Master Resolution, the Bondholders may pursue any available remedy by suit at law or in equity to enforce the payment of the principal of and premium, if any, and interest on the Series 2021 Bonds then Outstanding.

No remedy by the terms of this Master Resolution conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder or now or hereafter existing at law or in equity.

No delay or omission to exercise any right or power accruing upon any default or Event of Default under this Master Resolution shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein; and such right and power may be exercised from time to time as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Bondholders shall extend to or shall affect subsequent default or Event of Default or shall impair any rights or remedies consequent thereon.

Section 10.5. Right of Bondholders to Direct Proceedings. The Bondholders of a majority in aggregate principal amount of the Series 2021 Bonds then Outstanding shall have the right at any time to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Master Resolution, or for the appointment of a receiver or any other proceedings hereunder; provided that such direction shall not be otherwise than
in accordance with the provisions of law and of this Master Resolution.

Section 10.6. **Appointment of Receivers.** Upon the occurrence of an Event of Default under this Master Resolution, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Bondholders under this Master Resolution, the Bondholders of a majority in aggregate principal amount of the Series 2021 Bonds then Outstanding shall be entitled to the appointment of a receiver or receivers of the Facility and of the rents, revenues, earnings, income, products and profits thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 10.7. **Waiver.** Upon the occurrence of an Event of Default under this Master Resolution, to the extent that such rights may then lawfully be waived, neither the authority, nor anyone claiming through or under it, shall set up, claim or seek to take advantage of any appraisement, valuation, stay, extension or redemption laws nor or hereafter in force, in order to prevent or hinder the enforcement of this Master Resolution, and the Authority, for itself and all who may claim through or under it, hereby waives, to the extent that it lawfully may do so, the benefit of all such laws.

Section 10.8. **Application of Moneys.** All moneys received on behalf of the Bondholders pursuant to any right given or action taken under the provisions of this Article shall, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made, be deposited in the Bond Fund and all moneys in the Bond Fund shall be applied as follows:

(a) Unless the principal of all the Series 2021 Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

**FIRST** - To the payment to the persons entitled thereto of all installments of interest then due on the Series 2021 Bonds, in the order of the maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or privilege; and

**SECOND** - To the payment to the persons entitled thereto of the unpaid principal of and premium, if any, on any of the Series 2021 Bonds which shall become due (other than Bond matured or called for redemption for the payment of which moneys are held pursuant to the provisions of this Master Resolution), in the order of their due dates, with interest on such Bond from the respective dates upon which they became due (with interest on overdue installments of interest, at the rate of eighteen percent (18%) per annum on the Bond or Bonds which are overdue as provided in Section 2.2 hereof) and, if the amount available shall not be sufficient to pay in full the Series 2021 Bonds due on any particular date, together with such
interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any discrimination or privilege; and

THIRD - To be held for the payment to the persons entitled thereto as the same shall become due of the principal of and premium, if any, and interest on the Series 2021 Bonds which may thereafter become due either at maturity or upon call for redemption prior to maturity and, if the amount available shall not be sufficient to pay in full the Series 2021 Bonds due on any particular date, together with interest then due and owing thereon, payment shall be made ratably according to the amount of principal due on such date to the persons entitled thereto without any discrimination or privilege.

(b) If the principal of all the Series 2021 Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Series 2021 Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Series 2021 Bonds over any other Series 2021 Bonds, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or privilege, plus, if available, with interest on overdue installments of interest or principal at the same rate as the rate of the respective Bond or Bonds which are past due.

(c) If the principal of all the Series 2021 Bonds shall have been declared due and payable, and if such declarations shall thereafter have been rescinded and anulled under the provisions of this Article X then, subject to the provisions of Section 10.8(b) of this Master Resolution in the event that the principal of all the Series 2021 Bonds shall later become due or be declared due and payable, the moneys shall be applied in accordance with the provisions of Section 10.8(a) of this Master Resolution.

Whenever moneys are to be applied pursuant to the provisions of this Section 10.8, such moneys shall be applied at such times, and from time to time, as any duly appointed receiver shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Setting aside such moneys in trust for the proper purpose shall constitute proper application by such receiver, and such receiver shall have no liability whatsoever to the Bondholders or to any other person for any delay in applying any such moneys, so long as the receiver acts with reasonable diligence, having due regard for the circumstances, and ultimately applies the same in accordance with the circumstances known at the time of the application by the receiver. Whenever the Authority or a receiver shall apply such funds, it shall fix the date (which shall be a Principal Payment Date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Authority shall not be required to make payment on any Series 2021 Bond until such Bond shall be presented for appropriate endorsement or for cancellation if fully paid.
Whenever the principal of and premium, if any, and interest on all the Series 2021 Bonds has been paid under the provisions of this Section 10.8 and all expenses and charges of the Authority have been paid any balance remaining in the Bond Fund shall be paid to the City as provided in Section 6.10 of this Master Resolution as overpayment of Base Rentals.

Section 10.9. Remedies Vested. All rights of action under this Master Resolution or under any of the Series 2021 Bonds may be enforced by or on behalf of the Bondholders without the possession of any of the Series 2021 Bonds or the production thereof in any trial or other proceeding relating thereto and any such suit or proceeding instituted for or by the Bondholders shall be brought for the equal and ratable benefit of the Bondholders of the Outstanding Bond.

Section 10.10. Rights and Remedies of Bondholders. No Bondholder shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of this Master Resolution or for the execution of any trust hereof or for the appointment of a receiver or any other remedy hereunder, unless such default shall have become an Event of Default under this Master Resolution; it being understood and intended that no one or more Bondholders shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Master Resolution by its, his, her or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal and ratable benefit of the Bondholders of all Series 2021 Bonds then Outstanding. However, nothing contained in this Master Resolution shall affect or impair the right of any Bondholder to enforce the payment of the principal of and premium, if any, and interest on any Series 2021 Bonds at and after the maturity thereof, or the obligation of the Authority to pay the Series 2021 Bonds issued hereunder to the respective Bondholders thereof at the time, place, from the source and in the manner in the Series 2021 Bonds expressed.

Section 10.11. Termination of Proceedings. In case the Bondholders shall have proceeded to enforce any right under this Master Resolution by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Authority and the Bondholders shall be restored to their former positions and rights hereunder respectively, and all rights, remedies and powers of the Bondholders shall continue as if no proceedings had been taken.

Section 10.12. Waivers of Events of Default. The Bondholders may waive any Event of Default under this Master Resolution and its consequences and rescind any declaration of maturity of principal; provided, however, that there shall not be waived (1) any Event of Default under this Master Resolution in the payment of the principal of any Outstanding Bond at the date of maturity specified therein, or (2) any Event of Default in the payment when due of the interest on any such Bond unless prior to such waiver or rescission, all arrears of interest, on overdue installments of interest or all arrears of payments of principal when due, as the case may be, both with interest at the same rate as the rate of the respective Bond or Bonds which are past due, and all expenses of the Bondholders, in connection with such Event of Default shall have been paid or provided for, and in cases of any such waiver or rescission, or in case any proceeding taken by Bondholders on account
of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case the Authority and the Bondholders shall be restored to their former positions and rights hereunder respectively, but no such waiver or rescission shall extend to any subsequent or other Event of Default, or impair any right consequent thereon.

Section 10.13. Notice of Event of Default under Section 10.1(c); Opportunity of the Authority and the City to Cure Such Events of Default. Anything herein to the contrary notwithstanding, no default under Section 10.1(c) hereof shall constitute an Event of Default under this Master Resolution until actual notice of such default by registered or certified mail shall be given to the Authority and the City by the Bondholders of not less than 25% in aggregate principal amount of all Bond Outstanding, and the Authority and the City shall have had thirty (30) days after receipt of such notice to correct said default or cause said default to be corrected, and shall not have corrected said default or caused said default to be corrected within the applicable period; provided, however, that, if said default be such that it cannot be corrected within the applicable period, it shall not constitute an Event of Default under this Master Resolution if correction action is instituted by the Authority and the City within the applicable period and diligently pursued, to the satisfaction of the Bondholders until the default is corrected.

With regard to any default concerning which notice is given to the Authority and the City under the provisions of this Section 10.13, the Authority hereby grants the City full authority for account of the Authority to perform any covenant or obligation alleged in said notice to constitute a default, in the name and stead of the Authority with full power to do any and all things and acts to the same extent that the Authority could do and perform any such things and acts and with power of substitution.

ARTICLE XI

SUPPLEMENTAL RESOLUTIONS

Section 11.1. Supplemental Resolutions Not Requiring Consent of Bondholders. The Authority may, without consent of, or notice to, any of the Bondholders enter into a resolution or resolutions supplemental to this Master Resolution which shall not be inconsistent with the terms and provisions hereof for any one or more of the following purposes:

(a) To cure any ambiguity or formal defect or omission in this Master Resolution;

(b) To grant to or confer upon the Bondholders any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Bondholders;

(c) To subject to this Master Resolution additional revenues, properties or collateral;

(d) To modify, amend or supplement this Master Resolution or any resolution

32
supplemental hereto in such matter as to permit the qualification hereof and thereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect or to permit the qualification of the Series 2021 Bonds for sale under the securities laws of any of the states of the United States of America, and, if they so determine, to add to this Master Resolution or any resolution supplemental hereto such other terms, conditions and provisions as may be determined by said laws;

(e) To evidence the appointment of a separate paying agent or the succession of a paying agent hereunder;

(f) To issue Refunding Bond or Additional Bond in accordance with this Master Resolution and the Lease; provided, however, that so long as the CIB is the owner of the Series 2021 Bonds, the Authority must obtain its prior written approval for the issuance of Additional or Refunding Bond; and

(g) To make any other change that does not materially adversely affect the rights of any Bondholder.

Section 11.2. Supplemental Resolutions Requiring Consent of Bondholders. Exclusive of supplemental resolutions covered by Section 11.1 hereof and subject to the terms and provisions contained in this Section 11.2, and not otherwise, the Bondholders of not less than 51% in aggregate principal amount of the Series 2021 Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Resolution to the contrary notwithstanding, to consent to and approve the execution by the Authority of such other resolution or resolutions supplemental hereto as shall be deemed necessary and desirable by the Authority for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Master Resolution or in any supplemental resolution; provided, however, that nothing in this Section 11.2 or in Section 11.1 hereof contained shall permit, or be construed as permitting, (i) an extension of the maturity of the principal of, or the interest on any Series 2021 Bonds issued hereunder, or (ii) a reduction in the principal amount of, or redemption premium on, any Series 2021 Bonds or the rate of interest thereon, or (iii) a privilege or priority of any Series 2021 Bonds over any other Series 2021 Bonds, or (iv) a reduction in the aggregate principal amount of the Series 2021 Bonds required for consent to such supplemental resolutions, or (v) the creation of any lien ranking prior to or on a parity with the lien of this Master Resolution, the Lease, and the Security Documents on the Facility any part thereof (except in connection with the issuance of Refunding Bond or Additional Bond), or (vi) the deprivation with respect to the Bondholder of any Series 2021 Bonds then Outstanding of the lien hereby created on the Facility, without the prior consent of the Bondholders of 100% of the Series 2021 Bonds affected by such action.

If at any time the Authority shall desire to enter into any such supplemental resolution for any of the purposes of this Section 11.2, it shall cause notice of the proposed adoption of such supplemental resolution to be given by registered or certified mail to the Bondholder of each Series 2021 Bond shown by the list of Bondholders required by the terms of Section 5.6 hereof. Such
notice shall briefly set forth the nature of the proposed supplemental resolution and shall state that copies thereof are on file at the principal office of the Authority for inspection by all Bondholders. If the Bondholders of not less than 51% in aggregate principal amount of the Bond Outstanding at the time of the execution of any such supplemental resolution shall have consented to and approved the execution thereof as herein provided, no holder of any Series 2021 Bonds shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Authority from adopting the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such supplemental resolution as in this Article XI permitted and provided, this Master Resolution shall be and be deemed to be modified and amended in accordance therewith.

Anything therein to the contrary notwithstanding, so long as no Event of Default or Event of Nonappropriation with respect to the Facility shall have occurred and be continuing under the Lease, a supplemental under this Article shall not become effective unless and until the City shall have consented to the execution and delivery of such supplemental resolution. In this regard, the Authority shall cause notice of the proposed adoption of any such supplemental resolution together with a copy of the proposed supplemental resolution to be delivered to the City at least fifteen (15) days prior to the proposed date of adoption of any such supplemental resolution. The City shall be deemed to have consented to the adoption and delivery of any such supplemental resolution if the Authority does not receive a letter of protest or objection thereto signed by or on behalf of the City on or before the fifteenth day after the mailing of said notice.

ARTICLE XII

AMENDMENT OF LEASE

Section 12.1. Amendments, etc. to Lease Not Requiring Consent of Bondholders. The Authority and the City shall without the consent of or notice to the Bondholders consent to any amendment, change or modification of the Lease as may be required (i) by the provisions of this Master Resolution and the Lease (including those provisions applicable to the issuance of Refunding Bond and Additional Bond), (ii) for the purpose of curing any ambiguity or formal defect or omission, (iii) so as to more precisely identify the Facility or the Facility Site described in Exhibit “A” to the Lease and Exhibit “C” to this Master Resolution or substitute or add additional improvements or equipment to the Facility or additional rights or interest in property acquired in accordance with the provisions of the Lease, (iv) in connection with any amendment to this Master Resolution pursuant to Section 11.1 hereof, or (v) in connection with any other change therein which, in the judgment of the Authority, is not to the prejudice of the Bondholders.

Section 12.2. Amendments, etc. to the Lease Requiring Consent of Bondholders. Except for the amendments, changes or modifications as provided in Section 12.1 hereof, the Authority shall not consent to any other amendment, change or modification of the Lease without mailing of notice and receipt of the written approval or consent of the Bondholders of not less than 51% in aggregate principal amount of the Series 2021 Bond to be affected at the time Outstanding given as in this

34
Section 12.2 provided. If at any time the Authority and the City shall request the consent of the Bondholders to any such proposed amendment, change or modification of the Lease, the Authority shall cause notice of such proposed amendment, change or modification to be given in the same manner as provided by Section 11.2 of this Master Resolution with respect to supplemental resolutions. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the office of the Authority for inspection by all Bondholders. No such amendment, change or modification of the Lease shall reduce the aggregate principal amount of the Series 2021 Bond the Bondholders of which are required to consent to any amendment, change or modification of such Lease, or reduce or postpone payments required to be made under the Lease without the consent of all of the Bondholders of the Bond Outstanding. Approval or consent shall be evidenced in a manner acceptable to the Authority.

ARTICLE XIII

This Bond represents an issue of Municipal Building Authority of Cedar City, Iron County, Utah Taxable Lease Revenue Bond, Series 2021 (the “Series 2021 Bonds”) issued for the purpose of (i) financing the cost to construct improvements to and furnishing the Facility for City purposes (collectively, the “Facility”), and (ii) paying necessary expenses incidental thereto. The Facility has been leased by the Authority to Cedar City, Iron County, Utah, a body politic of the State of Utah (the “City”), under the terms of an annually renewable Lease Agreement dated as of *2021 (which agreement, as from time to time amended and supplemented, is hereinafter referred to as the “Lease”). Under the Lease, the City has agreed to pay annual rental payments to the Authority (the “Base Rentals”) in consideration of its right to use the Facility and for the option to purchase granted therein. In addition to the Base Rentals, the City has agreed to pay certain other payments (the “Additional Payments”) sufficient to pay administrative costs of the Authority, certain insurance premiums, taxes and other expenses with respect to the Facility expressly required under the Lease. Under the Lease, the City has been granted an option to purchase the Facility and terminate its payment obligations with respect to the Facility under the Lease at any time upon payment of the Purchase Option Price (as defined in the Lease) which amount shall be sufficient to pay the principal of, premium and interest on the Series 2021 Bonds (as hereinafter defined) as the same shall become due in accordance with their terms and provisions at maturity or at the earliest applicable prepayment.
of redemption date, under the terms and provisions of the Master Resolution (as hereinafter defined). THE PURCHASE OPTION PRICE IS PAYABLE SOLELY AT THE OPTION OF THE CITY AND THE CITY IS UNDER NO OBLIGATION TO EXERCISE ITS OPTION TO PURCHASE THE FACILITY.

If any installment of principal and interest is not paid when due and payable, the Authority shall pay interest on the delinquent installment at the rate of eighteen percent (18%) per annum from said due date until paid.

This Series 2021 Bond is issued under and secured by and entitled to the protection of the Master Resolution dated as of *, 2021, by the Authority (which Master Resolution, as from time to time amended and supplemented, is hereinafter referred to as the “Master Resolution”), duly adopted by the Authority and pursuant to which all Base Rentals payable by the City under the Lease and, if paid by the City, the Purchase Option Price, are assigned to secure the payment of principal of, premium, if any, and interest on the Bond. Additionally, the Authority has granted a security interest in the Facility to the holder of this Bond, pursuant to a deed of trust, assignment of rents and security agreement, as defined in the Master Resolution (the “Security Documents”), to further secure its obligations hereunder.

The obligation of the City to pay Base Rentals and Additional Rentals with respect to the Facility is subject to the annual renewal of the Lease and to the right of the City to terminate its payment obligations with respect to the Facility under the Lease in the event that there shall be a failure to appropriate for the purpose of paying such Base Rentals and Additional Rentals. In the event that the City’s payment obligations under the Lease shall be terminated by reason of a failure to appropriate (referred to herein as an “Event of Nonappropriation”) or by reason of an Event of Default (as defined in the Lease) the principal amount of this Bond and interest hereon will be payable from such moneys, if any, as may be available under the Master Resolution for such purpose, including any moneys received from a liquidation or other disposition of the Facility including a foreclosure of the lien of the Security Documents. Under certain circumstances, this Bond and the interest hereon may also be payable from the proceeds of title or casualty insurance policies, performance Bond of contractors for the Facility, condemnation awards and liquidation proceeds with respect to the Facility.

The Master Resolution provides that the Authority may hereafter issue Refunding Bond (the “Refunding Bond”) or Additional Bond (the “Additional Bond”) from time to time under certain terms and conditions contained therein and in the Lease and, if issued, the Refunding Bond and/or the Additional Bond will ran pari passu with this Bond and be equally and ratably secured and entitled to the protection of the Master Resolution and the Security Documents (this Bond, the Refunding Bond and the Additional Bond are referred to herein as the “Bond”). Reference is hereby made to the Lease, the Security Documents and the Master Resolution for a description of the property pledged and assigned, the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of the City, the Authority and the holders of the Series 2021 Bonds, the issuance of Refunding Bond or Additional Bond, the terms upon which the
Series 2021 Bonds are issued and secured, the terms and conditions upon which the Series 2021 Bonds will be deemed to have been paid, at or prior to maturity or redemption of the Series 2021 Bonds, and the rights of the holders of the Series 2021 Bonds upon the occurrence of an Event of Default or an Event of Nonappropriation.

The Series 2021 Bonds and the interest thereon constitute special, limited obligations of the Authority. Except to the extent payable from the proceeds of the Series 2021 Bonds and the income from the investment thereof, the proceeds of certain funds held by the Authority, the proceeds of certain insurance policies, performance Bond and condemnation awards or the proceeds, if any, from a liquidation or other disposition of the Facility subsequent to foreclosure of the lien of the Master Resolution and the Security Documents, the Series 2021 Bonds and the interest thereon are payable solely from Base Rentals, and, if paid, the Purchase Option Price paid by the City under the Lease. Payments under the Lease may be made only from City Funds (as defined in the Lease) which are budgeted and appropriated by the City for such purpose.

Neither the Lease, the Series 2021 Bonds nor the interest thereon shall constitute or give rise to a general obligation indebtedness of the City, or a charge against the City or the general credit or taxing power of the City. Neither the City nor the Authority on its behalf, has pledged the credit of the City to the payment of the Series 2021 Bonds, the interest thereon or amounts due or to become due under the Lease. The Authority has no taxing power.

No deficiency judgment upon foreclosure may be entered against the City or the Authority, and no breach of any provision of the Lease, the Security Documents, the Bond or the Master Resolution shall impose any general obligation or liability upon or a charge against the City or the
Authority or the general credit or taxing powers of the City. No judgment requiring a payment of money may be entered against the City by reason of an Event of Default or an Event of Nonappropriation under the Lease.

This Series 2021 Bond shall be registered in the name of the Registered Owner and any subsequent purchasers in an appropriate book in the office of the Secretary of the Authority, who shall be the Registrar. This Series 2021 Bond is transferable only by notation upon said book by the Registered Owner hereof in person or by his attorney duly authorized in writing, by the surrender of this Series 2021 Bond, together with a written instrument of transfer satisfactory to the Authority, duly executed by the Registered Owner or his attorney duly authorized in writing; thereupon, this Series 2021 Bond shall be delivered to and registered in the name of the transferee.

The Authority may deem and treat the Registered Owner hereof as the absolute owner hereof (whether or not this Series 2021 Bond shall be overdue) for the purpose of receiving payment of or on account of principal hereof and premium, if any, and interest due hereon and for all other purposes and the Authority shall not be affected by any notice to the contrary.

This Series 2021 Bond is subject to prepayment and redemption at any time, in whole or in part (if in part, in integral multiples of $1,000), at the election of the Authority in inverse order of the due date of the principal installments hereof, upon notice given as hereinafter set forth, at a redemption price equal to the principal amount to be so prepaid, plus accrued interest to the day of prepayment or redemption.

This Series 2021 Bond is also subject to prepayment and redemption in whole on any date, if (i) the Facility or a material portion thereof is damaged or destroyed or taken in a condemnation proceeding, or a material defect in the construction of the Facility shall become apparent, or title to or the use of all or any material portion of the Facility shall be lost by reason of a defect in title thereto, (ii) the Net Proceeds (as defined in the Lease) of any insurance policy, performance bond or condemnation award made available by reason of one or more such occurrences shall be insufficient to pay in full the cost of repairing and replacing the Facility, and (iii) the City elects to discharge its obligation to repair and replace the Facility by depositing such Net Proceeds into the Bond Fund. Upon the deposit of such Net Proceeds into the Bond Fund, payment obligations of the City with respect to the Facility under the Lease, shall terminate and the City shall have no further obligation for the payment of Base Rentals and Additional Rentals with respect to the Facility thereunder, and possession of the Facility shall be surrendered to the Authority for the Bondholders. All right, title and interest of the City and the Authority in any funds or accounts created under the Master Resolution (other than amounts held for the payment of the Series 2021 Bond not then deemed Outstanding) shall be held by the Authority and applied to the prepayment or redemption of the Series 2021 Bonds at the earliest date practicable. Thereafter, the Security Documents may be foreclosed and the Facility liquidated and the Net Proceeds of such liquidation and of any insurance policy, performance bond or condemnation award so deposited in the Bond Fund, as well as all other moneys on deposit in any fund created under the Master Resolution (except moneys held for the payment of principal of the Series 2021 Bonds no then deemed Outstanding), shall be applied

Such prepayment or redemption of this Series 2021 Bonds then outstanding plus accrued interest thereon, all in accordance with the Master Resolution. IN THE EVENT THIS SERIES 2021 BOND IS TO BE PREPAID SUBSEQUENT TO THE OCCURRENCE OF AN EVENT DESCRIBED IN THIS PARAGRAPH BY PAYMENT OF AN AMOUNT LESS THAN THE OUTSTANDING PRINCIPAL AMOUNT THEREOF AND ACCRUED INTEREST TO THE PREPAYMENT DATE, NO FURTHER CLAIM FOR PAYMENT MAY BE HAD BY THE HOLDERS OF THIS SERIES 2021 BONDS AGAINST THE AUTHORITY OR THE CITY.

If called for prepayment at any time pursuant to the provisions above, this Series 2021 Bond shall be subject to prepayment by the Authority in whole or in part except that in the event that the amount available to prepay this Series 2021 Bond under the immediately preceding paragraph, following a liquidation of all of the Facility, is less than the amount required to pay the principal of and interest on this Bond to the prepayment date, this Series 2021 Bond shall be redeemed in whole and the amount available therefor applied as provided in Section 10.8(b) of the Master Resolution. Except as otherwise provided above, in the event that this Bond is prepaid, such prepayment will be made at a price (expressed as a percentage of principal amount) of 100% plus accrued interest to the prepayment date.

In the event this Series 2021 Bond or portions thereof (which shall be $1,000 or any integral multiple thereof) are prepaid, notice of redemption shall be mailed by the Authority, postage prepaid, not less than thirty (30) days prior to the date fixed for prepayment, to the Registered Owner of this Series 2021 Bond addressed to such owner at its address appearing on the registration books maintained by the Authority. Failure to give such notice or any defect therein or in the mailing thereof shall not affect the effectiveness of the call for the prepayment by the Authority.

This Series 2021 Bond is issued pursuant to and in full compliance with the Articles of Incorporation of the Authority and the Constitution and laws of the State of Utah, including, in particular, the Utah Local Building Authority Act, Title 17D, Chapter 2, Utah Code Annotated 1953, as amended (the “Act”), and pursuant to a resolution adopted by the Authority which authorizes the execution and delivery of the Lease, the Master Resolution, the Security Documents and the issuance of the Series 2021 Bond. As required by the Articles of Incorporation of the Authority, the Mayor and City Council has by resolution authorized the Authority to issue this Bond and to execute and deliver the Lease, the Master Resolution, and the Security Documents.

The Registered Owner of this Series 2021 Bond shall have no right to enforce the provisions of the Master Resolution or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Nonappropriation or Event of Default under the Lease or any Event of Default under the Master Resolution or the Security Documents, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Master Resolution.

The Master Resolution permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Authority and the rights of the
holders of the Series 2021 Bonds at any time by the Authority with the consent of the City (if an Event of Nonappropriation or an Event of Default does not then exist under the Lease) and the holders of not less than 51% in aggregate principal amount of the Series 2021 Bonds at the time Outstanding. The Master Resolution also permits waiver of compliance by the Authority with any terms of the Master Resolution with the consent of the City (if an Event of Nonappropriation or an Event of Default does not then exist under the Lease) and the holders of not less than 51% in aggregate principal amount of the Series 2021 Bonds at the time Outstanding. Any such consent or waiver by the Registered Owner of this Series 2021 Bonds shall be conclusive and binding upon such Owner and upon all future holders of this Series 2021 Bonds and of any Bond issued upon the transfer or exchange of this Bond whether or not notation of such consent or waiver is made upon this Series 2021 Bonds.
