What is the Main Street Program about?

The Utah Main Street Program helps communities revitalize their economy, appearance, and image of downtown commercial districts. They do this by building a strategy centered around a community’s unique heritage and attributes that make it a great place to live and visit. The program provides a framework and resources to support a community’s downtown revitalization efforts.

The Historic Downtown Economic Committee was awarded a Downtown Enhancement Grant from the Utah Main Street Program in the amount of $30,000. A portion of this money will go towards a Façade and Tenant Improvement Grant. Building/business owners will be approved through an application process. Those selected will work closely with City officials to update and/or renovate historic building façades through a 50/50 funding match by the owner, up to $7,500.

Applicants will be reimbursed, or receive a “refund,” for all eligible cash expenditures up to $7,500, after the façade work is complete and paid for by the recipient.

A meeting will be held on Thursday, April 14, 2022 at Cedar City Hall (10 N. Main St.) in the Council Chambers at 8:00 a.m. for businesses to learn more about this grant opportunity and meet staff from the National Main Street Program.

Cedar City recognizes the importance of preserving our Historic Downtown and is dedicated to assisting local businesses.
