

Help beautify Cedar City! Please help the City provide a safe and useful community service by following these guidelines:

# CEDAR CITY SPRING CLEAN-UP 2023

**\* Spring Clean-up map has changed \***

(Please note new dates, area number rotation and what are acceptable materials that will be picked-up.)

**WHO:** This service is provided to Cedar City Residents, except those living in a Planned Unit Development (PUD). **This is not for Commercial or Industrial Properties.**

**WHEN:** Cedar Collection crews will begin in each area on a Monday. Crews will NOT come on Friday, Saturday or Sunday, or return to streets that have been completed. Have your debris out on the curb by 7:00 A.M. the day your area is scheduled for clean-up (See Map). **Do not put debris out more than one week before your clean-up dates.**

**WHERE:** Debris must be in front of the curb in the street. City crews will not load debris if it is piled on private property.

**\* WHAT:** Brush, branches, clippings, leaves, grass, untreated wood, including pallets and crates. Asphalt, dirt, rocks & concrete. No Furniture or Appliances and **NO TIRES.**

**NOTES:**

- ◆ Please keep vehicles off street during your scheduled week and the following week so that city crews can sweep the street.
- ◆ A maximum of one 10 wheeler dump truck load will be picked up at any one residence.
- ◆ Cedar City citizens are encouraged to report illegal or improper dumping of materials.
- ◆ All unacceptable piles will not be picked up and must be removed from the street.

**For additional information contact  
Public Works Dept. at 586-2912.**

**WE WILL BE ON SCHEDULE.  
PLEASE BE READY.**

The Cedar City Street Division will begin Spring Clean-Up in April 2023. This year crews will begin collection as follows:

- **Area 1: South of Center Street and east of I-15 – April 10 – 13, 2023**
- **Area 2: North of Center Street and east of I-15 – April 17 – 20, 2023**
- **Area 3: West of I-15 – April 24 – 27, 2023**

Please check the attached map to find your pickup dates.

Crews will begin collection in each area on a Monday. **Crews will NOT come on Friday, Saturday or Sunday and WILL NOT return to streets that have already been completed.**

Please have your debris out on the curb by 7:00 AM on the Monday your area is scheduled for the clean-up to begin. Please do not put debris out more than one week before your scheduled clean-up dates. A maximum of one (1) 10-wheeler dump truck load will be picked up at any one residence.

Debris must be in front of the curb in the street. City crews will not load debris if it is piled on private property. City crews will pick up brush, branches, clippings, leaves, grass, untreated wood including pallets and crates, asphalt, dirt rocks and concrete.

We will **NOT** pick up furniture or appliances, carpet or electronics. All unacceptable piles will not be picked up and must be removed from the street by those who placed it there. **WE WILL NOT BE ABLE TO TAKE ANY TIRES.**

This service is provided to Cedar City residents, ***except those living in a Planned Unit Development (PUD) and is not for commercial or industrial properties.***

Please keep vehicles off the street during your scheduled week and the following week so that city crews can sweep the street.

Please call the Public Works Department at 435-586-2912 for additional information.
